McInnis Out Of Race; Dr. Aby Is Candidate

Filippo May Run; Dinner Fetes Mayor

San Rafael may have a three-way race for mayor on the April ballot, but incumbent John F. McInnis will not be one of the candidates.

McInnis, mayor since 1957, wants to leave his way clear to run again for county supervisor in 1966.

His no-draft decision — kept secret to the last moment—climaxed a full-house testimonial dinner in his honor at Peacock Gap Country Club last night.

City Councilman Charles W. Aby immediately said he would run for mayor "to preserve the continuity of city government and carry on the fine things that John started."

Earlier, chairman C. Paul Bettini of the San Rafael Board of Education had announced he would run for the mayoralty.

San Rafael contractor Joseph R. Filippo yesterday said he might be a candidate if McInnis decided not to seek re-election. Today, he said he expects to reach a definite decision at a meeting with a dozen supporters tonight.

Friends at last night's McInnis testimonial dinner had ready completed nomination petitions signed by more than 60 citizens. But when the mayor arose to speak, he said:

"I find that publicly I've made a flat commitment not to run. I think that if I were to abrogate my position, I'd be in a poor position to run for county office in the future."

He warmly thanked the draft sponsors, headed by Chamber of Commerce President Robert R. Ritter.

"It's a serious thing to refuse such interest," he said.

The mayor recalled that when he was first elected 12 years ago, he had set goals "to get the city ready for the future," including a new entrance from Highway 101 and a new city hall. These projects are well under way, he noted.

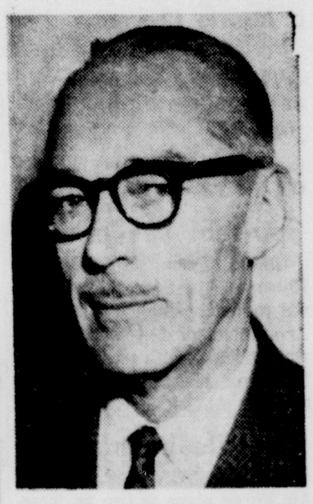

"I feel I've cleared my obligation to the City of San Rafael," McInnis said.

He recalled that when cam-

Nomination Papers Filed In San Rafael

Filing for San Rafael's April 12 city elections opened today with a flurry of activity in City Clerk W. Clifford Cornell's office.

Incumbent City Councilmen Harry A. Barbier and Louis H. Baar filed completed nomination papers for re-election. First-time board of Education candidates Walter R. Castro Jr. and Lawrence Kramer Jr. also returned completed nomination papers.

Cornell said Barbier's and Baar's petitions bore sufficient signatures to guarantee them places on the ballot. He was still checking the school board nominations.

San Rafael contractor Joseph R. Filippo today obtained papers for appointment of verification deputies, Cornell said.

Filippo, who earleir said he would run for mayor if incumbent John F. McInnis declined re-election, said he would discuss with backers tonight whether to compete with announced candidates C. Paul Bettini and Dr. Charles W. Aby for the mayor's post.

The board of education will have two vacancies due to the retirement of members Bella H. Aaron and John M. Bagshaw when their terms end in April. Should board chairman Bettini succeed in his mayorality campaign, a third vacancy would be created.

The only nomination papers issued but not yet returned, Cornell said today, are those of Irwin Taranto and Robert F. Loberg. Taranto announced he would run for city council after Loberg first took out papers and then announced he was withdrawing.

Deadline for filing is March 12.

ASCHERMAN STAFF BID IS REJECTED

Doctor, Attorney Promise Court Battle After Hospital Turns Down New Request

By ROBERT M. COPPOCK

Dr. Stanford W. Ascherman's request for temporary staff privileges at Marin General Hospital was turned down quickly, quietly and unanimously last night by the Marin Hospital District board.

The action brought immediate blasts both from Ascherman and his attorney, Harry Gonick of Oakland. Both promised a court battle.

There was some question today about whose turn it was to make the next move. Gonick said the hospital district should resume the suspended hearings again, on the question of Ascherman's standing, but the district seemed unlikely to do anything unless forced.

On Tuesday, the hospital board spent an hour and 25 minutes in closed session listening to verbatim minutes of the hospital credentials committee, which recommended against staff privileges for Ascherman.

At the time trustee Hadden W. Roth asked for a few days to study the case, since he joined the board only in January and was not completely familiar with case.

As the meeting opened last night, trustee Gwendolyn M. Campion moved that Ascherman not be granted the temporary privileges, and Roth seconded the motion. Roth said he would have no comment to make other than that he was now satisfied about the information.

The entire discussion took all of 30 seconds, but came up again later in the evening when word of Ascherman's reaction reached the board.

Viet Students Seek An End To Civil War

SAIGON (UPI)—Demonstrating students today demanded an end to the civil war and withdrawal of foreign troops from Viet Nam. The move coincided with a stepped up U.S. Air Force jet bomber offense against the Viet Cong.

More than 100 students demonstrated at the downtown student union headquarters and distributed tracts saying "We request foreign elements to withdraw from Viet Nam" and "Let the whole Vietnamese people decide and solve the Vietnamese problem."

The peaceful demonstration did not specifically demand withdrawal of the 23,000 or more Americans from Viet Nam but said "the Vietnamese are suffering in this war caused by foreigners at the expense of the Vietnamese people."

"We are firmly decided to end this terrible war because 20 years of war has caused so much disaster to our country," one tract said. "We cannot take one more day of war."

Student riots in the past have had a profound influence in changing south Viet Nam's political structure, leading to over throw of several governments.

The student demonstration — which was not molested by police — coincided with worldwide calls for a negotiated settlement of the war.

United Nations Secretary General Thant called earlier this week for informal negotiations among the big powers on the Vietnamese crisis. France and Britain also were sounding out the Soviet Union on some sort of negotiated Viet Nam settlement.

Secretary of State Dean Rusk said yesterday North Viet Nam must indicate a willingness to end its aggression in South Viet Nam before the United States will agree to negotiate. But Lon-

Kosygin Demands U.S. Quit Korea

MOSCOW (UPI) — Premier Alexei N. Kosygin said tonight the Soviet Union is "implementing" its agreement to provide military aid to Communist North Viet Nam.

Kosygin made the disclosure in a speech in which he upped the price of a negotiated peace in Southeast Asia — the withdrawal of American troops from both South Viet Nam and South Korea.

Previously he had mentioned only a withdrawal of Americans from Viet Nam.

Kosygin also demanded the halt of what he called "aggressive" U.S. actions in Indochina and warned that further American actions could spread the war. He warned again that actions against North Viet Nam "cannot go unpunished."

And the United States today delivered a diplomatic note to the Soviet Union accusing North Viet Nam of "aggression" against South Viet Nam.

The note said that only through the cessation of this aggression could the Indochina crisis be eased.

It said U.S. authorities were investigating Soviet charges that American planes and ships were harassing Russian merchant ships on their way to North Viet Nam.

The Soviet charge was leveled in a note delivered to U.S. authorities on Feb. 22.

The American note said:

"The currently dangerous situation in Southeast Asia is the direct result of intervention and aggression launcd by North Viet Nam against its neighbors. Should this aggression cease, the international tension mentioned in the note of the ministry of foreign affairs would immediately cease to exist."

Kosygin's statement was made in a television speech to the nation on his recent visit to the capitals of Communist China, North Viet Nam and North Korea. The importance the Kremlin attached to his statement was seen in the fact that the official Tass news agency distrubuted an advance text, something rarely done in Moscow.

Kosygin repeated previous statements U.S. "aggression" cannot go unpunished and added, "If the American imperialists continue the aggressive actions the conflict in that part of the world will inevitably transcend its original boundaries."

Kosygin visited Peking, Hanoi and the North Korean capital of Pyongyang in atrip that coincided with the first American air force and Vietnamese bombing raids on North Vietnamese military targets.

He said these actions had strengthened the socialist camp against "imperialism."

He called his talks with the Chinese Communist leaders useful and said they helped to clarify the possibilities of "further

SUPERCALIFR-AGILISTICE-SPIALIDOCIOUS

NEW YORK (UPI) — Two songwriters charged yesterday that "Supercalifragilisticespialidocious" spells plagiarism.

In a federal court suit, they charge the song with that unpronounceable title from the hit musical film "Mary Poppins" was pirated from them.

Gloria Parker and Barney Young ask $13 million in damages from Walt Disney Productions, Wonderland Music Co., Buena Vista Records and Broadcast Music Inc.

The song is sung by Julie Andrews in the musical.

The plaintiffs said they submitted their song with an "implied agreement" that they would receive royalties if it were used.

Drake Widening Plan Goes Into High Gear

The project to widen Sir Francis Drake Boulevard to four lanes for about a block west of Wolfe Grade is being accelerated even though county supervisors have vetoed plans for extension of Wolfe Grade.

The job could go out for bid in July and be completed by October, Public Works Director Donald R. Frost reported yesterday.

Widening of the boulevard to a point just beyond Laurel Grove Avenue originally was scheduled for next year, but there was a push to speed up the project after two children were killed by a car on Sir Francis Drake Boulevard near Wolfe Grade last month. Supervisors approved transfer of $170,000 in reserve funds for acquisition of right-of-way. Frost said appraisals are being completed.

Supervisor Ernest N. Kettenhofen said the elimination of the proposed extension of Wolfe Grade was a tragedy. Within five years there will be chaos that will be a greater threat to children than now exists.

Supervisors deleted the extension from the Kentfield general plan by a 3-2 vote Tuesday and sent the plan back to the county planning commission, requesting Frost to come up with an alternative to the proposed extension.

Wounded Negro Dies In Hospital

SELMA, Ala. (UPI) — A Negro who was shot during a racial disturbance in nearby Marion last week died today.

Jimmie Lee Jackson, 26, died in Good Samaritan Hospital here about four hours after emergency surgery, which was attempted to relieve abdominal adhesions.

Jackson had been listed in critical condition since he was shot in the stomach during a night march by Negroes at the rural town of Marion eight days ago.

Jet Bomber, Tanker Collide Over Ocean

WESTOVER AFB, Mass. (UPI)— An Air Force jet bomber and a jet tanker collided and exploded while refueling over the Atlantic Ocean today and plunged into the sea.

The planes carried four crewmen each, a total of eight men. Their fate was not known. A massive air-sea search was launched for any survivors.

Russia Launches Cosmos Satellite

MOSCOW (AP) — The Soviet Union has launched the 58th unmanned sattellite in its Cosmos series. Tass, the Soviet news agency, said its equipment was functioning normally.

The Soviets say the Cosmos satellites are making scientific observations in outer space.

SHADES OF '1984'

Fink Electronic Eye May Tattle On Drivers

SANTA MONICA (AP) — It could happen here, someday:

As you drive up the on-ramp to a freeway, an electronic eye will scan your license and vehicle registration, displayed on the windshield.

A computer downtown receives this information immediately and checks its memory to make sure both you and the car are "clean."

If you are wanted for some violation, a red light flashes and guards descend upon you.

If you're okay, the computer sends signals displaying on a small television screen in your car an up-to-the-minute report on traffic conditions ahead. It would all happen so fast you'd have time to pull off and take an alternate route if there were an accident or a traffic snarl beyond.

Like the idea? It's well within the reach of current technology, says Dr. Edith M. Bairdain, a computer expert for International Telephone and Telegraph Corp., Paramus, N.J.

Her paper outlining the details was on file today at a symposium of the Society of Information Display.

Huge Population Hike Predicted

WASHINGTON (AP) — The U.S. population will reach 265,575,000 by 1985, the census bureau estimated today.

The present population is about 193 million.

The estimate is based on a slightly declining birth.

The bureau estimated California would have 10 million more people than New York by 1985. The 1985 projection for California was 32,422,000 compared to the mid-1964 figure of 18,084,000.

Living Costs Increase Again

WASHINGTON (AP) — Living costs rose one-tenth of one per cent in January largely because of higher costs for housing, gasoline, and automobile insurance, the Labor Department reported today.

The increase was the fifth monthly rise in a row. It brought the consumer price index to 108.9 per cent of the 1957-59 average.

About 950,000 workers in the auto, farm equipment and aerospace industries will receive a wage increase of one cent an hour under union contracts which link pay rates to the price index.

The case of Airman 1/C Larry D. Cole, 21, had had a far-reaching effect on relations between the United States and the Philippines.

Cole was accused of shooting one of four trespassers near a Clark Air Base gunnery range last November. Air police in the area had been under orders to fire only in self defense.

At least one Filipino official, Gov. Benigno S. Aquino Jr. of Tarlac Province, hailed the conviction as demonstrating "the highest quality of American justice."

CHARGED IN SLAYING—Norman 3X Butler, 26, whom police identify as a Black Muslim "enforcer," is shown handcuffed to a patrolman and getting into a paddy wagon after his arrest in New York City today on a homicide charge in the death of black nationalist leader Malcolm X. (AP Wirephoto)

Muslim Charged In Malcolm's Death

NEW YORK (AP) — Police today charged a 26-year-old Negro they identified as a Black Muslim "enforcer" with homicide in the assassination of Malcolm X, black nationalist leader.

Norman 3X Butler, of the Bronx, was the second to be charged by police since the slaying Sunday of Malcolm X, who bolted from the Black Muslims more than a year ago and formed a rival sect.

Malcolm, 39, was felled by 13 shots from three guns as he started to address a rally of 400 persons in a ballroom in the Washington Heights section of Manhattan.

Talmadge Hayer, 22, a Negro from Paterson, N.J., who was captured outside the ballroom after he had been shot in the leg by one of Malcolm's bodyguards, also has been charged with homicide. Police alleged he used a shotgun, one of three weapons employed in the deadly attack.

Police said Hayer has been uncooperative and has refused to disclose whether he is a Black Muslim.

Butler's identification as a Black Muslim was the first official link of the Chicago-based sect with the slaying.

Asst. Chief Inspector Joseph L. Coyle said Butler was arrested at his residence, did not resist, "but he seemed surprised."

Police believe five men were involved in the assassination.

Their charge against Butler was that he acted in concert with Hayer.

Two other Negroes were questioned at the police station in Washington Heights during the night.

Butler and two other Black Muslims were charged with felonious assault last Jan. 7 in the shooting of Benjamin Brown, 31, a Negro corrections officer.

Police said Brown had broken from the Black Muslims and was setting up a mosque of his own in the Bronx.

Butler had been free on $10,000 bail in the shooting of Brown, who was wounded in the chest outside a Bronx store.

MALCOLM X PICTURED AS MARTYR

WASHINGTON (AP) — Carl Rowan, U.S. Information Agency director, says some African newspapers are portraying Malcolm X as a martyred integrationist hero instead of as "an ex-convict, ex-dope peddler, who became a racial fanatic."

Said Rowan, a Negro: "Mind you: Here was a Negro who preached segregation and race hatred, killed by another Negro, presumably from another organization that preaches segregation and race hatred—and neither of them representative of more than a tiny minority of the Negro population of America."

Rowan told the Foreign Service Association yesterday that the Malcolm X case is an example of why the information agency is needed.

Patrolmen Kidnaped, Released By Suspects

SALINAS (AP) — Two armed robbery suspects stole a Highway Patrol car at gunpoint today and kidnaped two patrolmen. The officers were dropped off unharmed after about a 20-mile ride, the Highway Patrol reported.

The suspects, described as white male, stole the officers' sidearms, hats and jackets. Officers Al Lore and Wayne Duncan were found about 4 a.m., two hours after they stopped a car wanted in connection with a Salinas armed robbery.

A garbled radio report at 2 a.m. said, "They got Lore." When other patrolmen arrived o the scene north of Salinas, they found nothing. It was unknown whether the suspects were traveling in one or two cars.

The Patrol car was not armed with a shotgun, a fairly new Highway Patrol innovation meant to discourage fleeing criminals from shooting officers.

Highway Patrol headquarters in Sacramento said the officers had forced the suspects' car to turn into a private driveway about three miles north of Salinas.

While Duncan talked to the driver outside the car about the gas station robbery, Lore walked up to the passenger side of the auto. When he opened the door, the passenger had the drop on him. The passenger then placed his snub-nosed .32 caliber revolver behind the patrolman's ear.

The patrolmen were taken to a resort area in neighboring San Benito County and handcuffed to a tree.

But one officer had hidden a key in his waistband.

As he was being searched by the suspects, he took a deep breath, sending the key down his pants leg to the ground where he stepped on it. He unlocked the cuffs after the suspects left.

The suspect's car was found later run off a road. The car had been stolen, the Patrol said.

Later, officers were informed the stolen Highway Patrol car was found abandoned at Gilroy.

Navy Flier Downed In Maneuvers

CAMP PENDLETON (AP)—A Navy flier's plane was downed by a surface-to-air missile fired during maneuvers being conducted off the California coast, the Navy and Marine Corps reported today.

The flier, identified as Lt. (j.g.) Larry J. Cooper, 25, son of Mr. and Mrs. Henderson W. Cooper of Valdosta, Ga., is presumed dead, a spokesman for the joint command conducting Exercise Silver Lance reported.

The spokesman said Cooper flew his A4E Skyhawk attack plane into a restricted missile-firing zone yesterday 150 miles southwest of San Diego at the scheduled time, and on the course, of an expected target drone.

The fatal missile was the second of two Terriers fired from the guided missile frigate USS Preble, the spokesman said.

Trustees Reject 'Moving' Expense

Moving a wall to create a few extra feet of space can be more trouble than it's worth, the Marin Junior College District board learned last night.

The trustees, concerned about the seating capacity of the campus student center now under construction, wanted to know if the building could be extended to accomodate more students.

But architect David Sokoloff told them that although room for an extra 42 could be added to the present 600-odd capacity by shifting an outer wall, it would cost a further $4,263.

"That's about $100 for each extra seat," commented College President Stephen E. Epler. And the board quickly decided to scrap the idea after Sokoloff explained that the replanning would damage the appearance of the center.

The parking situation at the college provides another space headache. Architect George G. Klett warned in his report, submitted for the study of the board, that the problem will become more acute unless it is tackled soon as the maximum fulltime enrollment is expected to reach 3,000 by 1970.

He offered three proposals in a re-study of the whole campus parking system, including a two-tier suggestion.

The college's physical education complex will be dedicated by trustee Elizabeth M. Deedy on April 4, the board decided.

Permission was given for use of facilities in Olney Hall on March 14 by Marin Friends of the Student Non-Violent Coordinating Committee for a slides show. But a request from the body to wave the $50 fee was refused as a matter of policy.

Absent from the meeting was trustee Robert E. Rogers.

Tuition Policy Still Being Worked Out

Part-time students over 21 at College of Marin are still in the dark about whether their tuition will cost them anything in the future.

A policy statement expected from the district board last night was not forthcoming. Robert E. Oliver, president of the board, simply said, "We are still working on it and have deferred it until the next meeting."

The board had previously decided to adopt a formal position after deadlock among legal counsels on whether the regular academic classes for adults should be paid for.

There was no comment over the decision of College President Stephen E. Epler to allow Mrs. Jane Sheehy of Belvedere to enroll without charges. Mrs. Sheehy has been fighting for a year to get the adult fees dropped.

Live By Faith, Theologian Says

Former Yale University theological professor Clarence Shedd yesterday told College of Marin students to search for a faith to live by if they are to have lives that have meaning.

"Know who you are and where you are going," he said in a seminar on moral values sponsored by the Newman Club and Intervarsity and Christian Club.

Shedd said teachers cannot successfully teach moral values in an organized course on the subject, "but a teacher certainly can communicate values indirectly by his integrity, humility, high scholarly standards and search after the truth."

Man Gets 120 Days In Forgery Case

Willie Beverly, 26, was sentenced to 120 days in county jail today by Judge Thomas F. Keating of Marin Superior Court on a guilty plea to forgery of a $50 check.

Beverly, Apt. 385, Building C-39, Marin City, was arrested by San Rafael police June 27 after attempting to cash the check at Ed's Auto Supply, 851 Fourth Street, San Rafael.

Arson Ruled Out In Fire

Sheriff's inspector A. V. Menjou today discounted arson in the fire Wednesday that destroyed the weekend cottage of a University of California professor at Lagunitas.

He said investigation convinced him and Stanley Rowan, assistant county fire chief, that the three-room cabin of Prof. and Mrs. Paul Ivory of Berkeley caught fire from spontaneous combustion in a pile of old wet mattresses on a porch.

He said they traced the blaze from the porch floor to the building's single wall and concluded that cans of paint stored beneath the cottage then caught fire and burst.

Fire Chief Louis J. Bloom estimated loss at $5,000.

developing our relations." But he said the Sino-Soviet difficulties cannot be resolved "right away."

But "the Socialist states are united and solidaristic in face of the imperialist threat," he said.

"The aggression against Peoples (North) Viet Nam cannot go unpunished," Kosygin said. "If the American imperialists continue the aggressive actions the conflict in that part of the world will inevitably transcend its original boundaries.

"An end to the United States aggressive actions against the democratic republic of Viet Nam is needed, first and foremost, to create conditions for the exploration of avenues leading to the normalization of the situation in Indochina.

"The American forces must be withdrawn from South Viet Nam and South Korea. The people themselves must settle their own destinies."

Kosygin said the Soviet Union was ready to continue the struggle for easing international tension and for general disarmament and was willing to work with the peoples of the world including the United States, Britain and France.

Kosygin said U.S. interference in Laos complicates the situation in that country and called it "one more example of how international agreements and international law are trampled underfoot."

He said if no rebuff was given to the imperialist policy of using military force the independence of the young states of Asia, Africa and South America would be under constant threat.

He recalled recent Washington statements on the necessity of expanding international contacts but said these could not be squared with actions against North Viet Nam. He called this a violation of the United Nations Charter and said it was a slippery road "which may have far - reaching consequences."

Committee Wants To End Commute Book Refunds

There should be no more refunds on Golden Gate Bridge commute ticket books after July 1, a joint committee of the bridge district decided yesterday.

Members of the joint auditing, finance and commuters' affairs committees voted to eliminate refunds the coming fiscal year.

Director Thomas D.Hardcastle of Novato said the refunds are a source of irritation because most of them are for $1 or $2, and some for 25 cents.

Lone dissenter was Stephan C. Leonoudakis of San Francisco, who said all refunds, even for 25 cents, should be paid if the request is valid.

The joint committee took no action on proposed legislation by State Sen. John F. McCarthy, R-San Rafael, to increase Marin's and Sonoma's representation on the bridge board.

Peter H. Behr, chairman of Marin County Board of Supervisors and chairman of the Marin Transit District, told bridge directors that Marin County hopes to operate its own transit buses within a year.

Behr said the Marin Transit District could operate commute service to San Francisco if it becomes necessary.

He appeared before joint finance and commuter affairs committee, which voted to cut bus tolls from $1 to 13 cents.

HOSPITAL

Continued from page 1

Hospital know that I am fully qualified and I challenge any one of them to show where I have ever mishandled a case," Ascherman said "No doctor of Marin General Hospital has ever criticized my qualifications as a surgeon, even privately."

Board president Marion Ibach said the board action did not imply that Ascherman was unqualified, but merely that his qualifications had not yet been proved. She noted that Ascherman had been banned from five San Francisco hospitals.

Gonick said the board had abdicated its responsibilities by following the advice of the credentials committee, made up of physicians.

"All they've done is rubber stamp what these damned doctors want, " he charged.

Gonick said that if the hospital does not act to reopen the hearings, this time in superior court, where doctors can be subpoenaed as witnesses, within the next few days, he will file a writ to stop the court procedure and force Ascherman's admittance.

Hearings were called off when they became stymied because physicians refused to testify against Ascherman unless granted immunity from damage suits. Since the hospital district had no power of subpoena, witnesses could not be found.

"I'm perfectly happy to take those doctors on on the witness stand," Gonick said today. "I can demolish them."

"This action will result in litigation which will cost the taxpayers additional thousands of dollars for private benefit of doctors who regard Marin General as their own private club," Ascherman said.

At the end of the board meeting last night, Dr. T. Scott Strathairn, chief of staff, announced the accreditation investigation of the hospital by the National Hospital Assn., a check made every three years, is scheduled March 17 and 18.

"If this hospital doesn't pass, all hospitals should fail," Strathairn said.

"In spite of our Dr. Ascherman," quipped Mrs. Ibach.

VIET

don diplomatic dispatches said Britain, with U. S. approval, had been making guarded inquiries in Moscow about the prospects of a settlement and the role Russia is prepared to play in it.

There was no indication the military leadership in South Viet Nam was ready to jump on the peace bandwagon. But ousted strongman Lt. Gen. Nguyen Khanh told newsmen in Hong Kong he was willing to assist any diplomatic settlement—but only if the war continued.

There were two major military developments today.

More than 3,000 South Vietnamese troops supported by American jet bombers were reported to have opened a major offensive against Communist forces in Binh Dinh Province 275 miles northeast of Saigon where the Viet Cong has made strong gains and menaces major supply lines.

A U.S. military spokesman also disclosed a major offensive by B57 twin-jet bombers against Communist troop concentrations in Phuoc Tuy Province 40 to 50 miles east of Saigon. The planes were reported using new secrety-type fragmentation clusters against Red troop concentrations.

OBITUARIES

Nurse Mary Grinnell Dies At 85

Mary D. W. Grinnell of 639 Main Street, Sausalito, a volunteer nurse in the 1906 San Francisco earthquake and fire, died quietly at her home today after a long illness. She was 85.

Mrs. Grinnell, a native of England, led an active life which included service in France during World War I as a second lieutenant Army nurse.

A native of England, she came to California 1893. Her family settled on a ranch in San Diego. She graduated from the California Hospital Training School for Nurses in Los Angeles in 1905.

It was after returning from a private case in Los Angeles that she received a telephone call from a fellow nurse asking if she planned to go to San Francisco. It was the first report she had of the earthquake.

She arrived the day after the quake and worked at Fort Mason for 36 hours without rest.

"The first three days were just a jumble," she recalled in a 50th anniversary article in the Independent - Journal in 1956. "Water was hauled in barrels and we had barely enough to drink; only one small basin of it was available to care for all the injuries. Babies were born and there was not water to wash their eyes."

Mrs. Grinnell concluded her recollections saying:

"I think the most remarkable thing throughout the whole experience was the cheerfulness of the people. Perhaps it was the realization that, under all the debris of modern 'civilization' we are still just human beings, brothers and sisters bound in the same great adventure—the adventure of life itself."

For many years, Mrs. Grinnell was nursing supervisor for obstetrics at Mount Zion Hospital in San Francisco. In 1929 she built her French provincial home on Main Street in Sausalito.

On Aug. 10, 1937, she and Fordyce Grinnell were married in Muir Woods in a ceremony conducted by her late brother, Rev. Hubert M. Walters. Grinnell died in 1943.

Mrs. Grinnell retired in 1950. For the past four years she has been bedridden at her home.

She leaves a sister, May Walters of Sierra Madre, Los Angeles County, and two brothers, Ralph Walters of Alhambra, Los Angeles County, and John Walters of Santa Barbara.

Judge Rules For Trial In Rights Case

MERIDIAN, Miss. (AP) — U.S. Dist. Judge Harold Cox ruled today 17 persons indicted in connection with the slaying of three civil rights workers must stand trial on a misdemeanor charge of conspiring to violate the trio's civil rights.

Cox also said only Neshoba County Sheriff Lawrence Rainey, deputy Cecil Price and another police officer can be charged with actually violating the trio's rights through the use of their powers as law enforcement officers. All 17 had been charged on this count.

The judge's ruling follows by a day his decision dismissing a felony indictment against the 17. Cox said no federal law was embraced by the indictment and therefore his court didn't have jurisdiction.

Cox approved a defense motion that the 17 defendants be permitted a jury trial but he set no trial date.

Clausen Introduces Flood Relief Bills

WASHINGTON (AP) — Farmers damaged by the December-January floods in California, Oregon and Washington would be permitted to buy surplus grain from the government on credit under a bill introduced in Congress yesterday by Rep. Don H. Clausen, R-Calif.

He said the Agriculture Department, although permitted to grant credit up to 20 years for sale of surplus U.S. grain to foreign countries, is requiring cash for such sales to flood stricken farmers.

Clausen's bill would permit credit up to one year at 3 per cent interest.

The congressman introduced two other bills authorizing additional flood relief in the form of road reconstruction, national forest timber sales and exchanges, and loan adjustments, and liberalization of small business administration loan terms.

Several of the proposals are before the House and Senate Public Works Committees in bills introduced by other California and Oregon members of Congress.

Beatles Beware! Dollies Debut

LONDON (AP) — Four girls who look like four boys with long hair emerged today on the British beatsinger scene.

They call themselves the Dollies.

"They're great," said impresario Peter Walsh. "They're going straight to the top."

Walsh signed them to a contract and arranged a 28-day tour for them.

They wear tight-fitting black trousers, black sweaters and black boots. Each has a gilded necklace, a medallion at the end of the chain.

Coming from Altrincham, the girls are Carole Parkes, 16; Rea Bancroft, 17; Gerri Oswald, 17, and Jill Dayviss, 16.

Dates Set For Summer School Plan

Summer school will run from June 23 to July 23 this year, the Larkspur School District board decided last night.

Henry C. Hall School science teacher Douglas Lindauer was selected as principal, and the board decided to have 14 teachers for the expected enrollment of 350. Registration will start in May.

Supt. Milton S. Cohen said 14 subjects will be offered, including art, sewing, typing and creative writing classes not offered in the regular school term. The rest of the curriculum will be remedial work for students who have fallen behind.

The board approved arrangements with Dominican College and University of California for intern teachers.

San Clemente School Principal Robert Johnson asked that the $8,000 recommended as matching local funds in next year's budget for federal projects be raised so more federal money may be obtained.

A study session on the budget was set for 8 p.m. March 8 at the Larkspur-Corte Madera School.

Commission Hearing Slated On Master Plan For Parks

The Marin County Planning Commission will have a hearing on the proposed county master plan for parks, recreation and open space at 9 a.m. Monday at the Civic Center.

The hearing is the first item on the agenda and the wording says "to consider adoption," but accompanying the agenda is a staff report recommending consideration continued until May 3.

The staff reported that editing of the text of the plan is still under way, and more time is needed because of need for staff members to complete work on the Novato general plan.

The county planning commission also will:

Hold a hearing on a tentative map of Sleepy Hollow Unit 11, an 11-acre subdivision of 21 lots, south of Dutch Valley Lane and west of Sleepy Hollow Unit 9, submitted by Harold D. Lang (item 14 on the agenda).

Hold a hearing on an application by First Church of Christ, Scientist, Sausalito, for a permit to construct a church at Sacramento Avenue and Butte Street, north of the Sausalito city line (item 24).

Continue its hearing on an application by Clear View Cable Systems to construct a master antenna at 188 Stanford Avenue, Tamalpais Valley (item 2).

Continue its hearing on an application by R. E. Miles for a permit to expand a boat harbor in Paradise Cove, north of Paradise Cay subdivision, Tiburon Peninsula (item 26).

Sir Alec Sees No Basis For Peace Conference

LONDON (AP) — Former Prime Minister Sir Alec Douglas-Home said today no basis for a peace conference on Viet Nam exists unless the Western powers receive assurances the Communists will abide by its decisions.

Addressing a luncheon meeting of the American Correspondents Association, Douglas-Home, the leader of Britain's opposition Conservative party, supported without qualification military measures being taken in Viet Nam by the U.S. government.

VIOLENT WINTER STORMS

Street department workmen begin clearing streets in Gary, Ind., yesterday following one of the worst blizzards in the area in 20 years. Fourteen inches of snow, accompanied by winds up to 35 miles per hour, resulted in drifts of more than 10 feet high. Hardest hit were Illinois, southern Michigan and Indiana. Today the East Coast was hit by violent storms with heavy rain, sleet or snow from New England to central Florida. (UPI Telephoto)

Gov. Wallace Pledges Negro Voting Rights

MONTGOMERY, Ala. (UPI) —Gov. George Wallace pledged anew today that every qualified Negro will be given the chance to register and vote in Alabama.

Wallace's definition of qualification differs considerably, however, from that of all integration leaders and many rank and file Negroes.

The federal courts, Congress and the White House are deeply involved in the dispute and the outcome is to be a major fight on Capitol Hill over a proposed new national voter registration law.

The Alabama governor was questioned about his views on the voter issue in light of a spreading campaign to register Negroes in rural Alabama. The drive has brought charges of wholesale discrimination through the use of literacy tests, harassment of Negroes at courthouses and long delays in getting them through the registration process.

Federal Judge Daniel H. Thomas has warned that he will register qualified Dallas (Selma) County Negroes who are not on the rolls by July 1. More than 2,300 have signed an "appearance book" signifying their intention of registering, but the list apparently has not been checked for duplications, bonafide residence, etc.

Wallace insisted during an interview in his executive office that Alabama's registration law is fair to all and will not be altered voluntarily.

"There's been a lot of propaganda about our literacy test," he said. "We actually got the idea for that test from New York state."

(The New York law requires only that the applicant be able to read and write English).

"In this day of emphasis on education in our complex society, I can't understand the deemphasis on education at the voting level," the governor added. "I appears we should be requiring more literacy and not less.

"Anyone who is 21 and can't pass our literacy test didn't want to learn to read and write anyway, and such a person, in my opinion, is not qualified to vote."

Hub Owners Complaint Of Downtown

A complaint from the San Anselmo Homeowners Assn. about conditions in downtown San Anselmo was the main topic of discussion at yesterday's meeting of San Anselmo Chamber of Commerce directors.

The directors decided to offer to join the homeowners association as a group if the association feels it can improve the situation downtown. At the same time, a chamber membership will be offered to the association.

The letter, by Mrs. John F. West, complained the downtown area is losing business to other shopping centers and could be hurt further by the proposed 11-acre shopping center development at Sunny Hills.

The chamber board appointed a study committee to report next Thursday on the proposal to eliminate property taxes on personal property in the state. Discussion was also set for next week on the question of a second bridge to San Francisco.

IN MARKET FOR GONDOLA? HERE'S CHANCE

Want a genuine gondola?

One may be for sale at public auction in the near future.

Hearing on request of William S. Allen, executire of the estate of S. Robert Anshen, for permission to sell Anshen's gondola is scheduled in Marin Superior Court for 10 a.m. on March 1.

Allen's request states the boat, with fittings, has been listed for sale with brokers for six months, but without results. It is stored at Clipper Yacht Co. in Marinship.

Anshen, 54, whose home was on DeSilva Island, died from a combination of alcohol and barbituates last May 25. Allen was the architect's partner.

Sale would go to the highest cash bidder, Allen disclosed.

LBJ Asks Funds For Peace Corps

WASHINGTON (AP) — President Johnson, formally seeking new funds for the Peace Corps, said today the organization is an essential part of American efforts to meet its world responsibilities.

The Peace Corps once was pictured as only a "symbol of a friendly America," he said, but it "can no longer be viewed as just a feather in our nation's cap."

In identical letters to Vice President Hubert H. Humphrey and House Speaker John W. McCormack, D-Mass., Johnson asked for a Peace Corps appropriation of $125.2 million for the fiscal year that begins July 1. This would represent an increase of $21.1 million over the amount appropriated for the current fiscal year.

Farmers Get Assistance For Marin Soil District

Sixty - nine Marin County farmers received technical assistance through the Marin County Soil Conservation District in 1964, according to the district's annual report.

Conservation facilities during the year included 2,575 feet of levee, seven farm ponds, one sprinkler system, eight acres of grading, 22 acres of leveling for irrigation, 212 acres of pasture planted, 1,000 feet of pipeline, three springs developed, 275 feet of channel improvement, 330 feet of drainage ditches and two wells.

A total of 17 land owners joined the cooperative conservation program, adding 8,661 acres and bringing the total in the program to 102,937 acres. The district includes 294,500 of the county's total 333,000 acres.

The district received a state grant of $9,375 during the year. This is to cover a survey of Walker and San Geronimo creeks now being prepared by George Nolte and Co.

The distrcit received $1,000 from Marin County in 1963-64 and $1,300 in 1964-65. This is an in lieu of tax payment. Since the district has still not filed a metes and bounds description with the state, it cannot levy taxes.

Expenses during the year included $858 for a new pasture seeder, $409.34 for a farm machinery carrier, $373 for board travel and convention expenses and $250 for the secretary's salary.

The annual report shows a balance on hand of $10,463.36 at the end of the year. Biggest portion of this is the state grant for the study of the two creeks.

Students Adopt Budget At Marin

College of Marin's student executive council yesterday adopted a $17,072 spring budget, including $2,000 for the council itself, $4,600 for the inter-club council, $2,600 for rallies and assemblies and $4,000 for athletics.

The council discussed publishing the school newspaper, the Tower Times, every other week with six pages, rather than every week with four pages as at present.

Council votes were given to the commissioner of internal affairs, corresponding secretary, chairman of campus center committee and property commissioner, all appointive posts.

A rally featuring the Jean Hoffman Trio was set for 12:30 p.m. next Thursday in room 96, Olney Hall.

NEW YORK (AP) — Stewardesses and Trans World Airlines reached tentative agreement on a new contract today less than two hours before a noon strike deadline.

They did not disclose details of the settlement. It is subject to approval by some 2,000 TWA stewardesses and pursers represented by Local 550 of the Transport Workers Union of America.

Nixon Says Next Few Days Critical For Asian Future

CHICAGO (UPI) — All of Southeast Asia will fall to communism if President Johnson fails to act firmly within a few days, Richard M. Nixon told a Republican dinner last night.

Nixon, on a mission to help "revitalize" the GOP, said Johnson "at the earliest possible time" must announce a decision on the U.S. aims in Viet Nam.

If the decision is not announced within a week or 10 days, Nixon said, "we may be forced by world opinion" into an adverse position — one that would cause Asian nations to tumble to the Communists like dominoes.

The course Johnson should follow, Nixon said, is full use of naval and air power to cut off all supplies from North Viet Nam to South Viet Nam.

"This would be short of atomic weapons," Nixon said.

The former vice president addressed 1,250 persons who paid $100 each to attend a dinner sponsored by the United Republican Fund of Illinois. Before the dinner he told a news conference he hoped to help breathe new life into the party by making selective speeches and was not interested in "running for any political office."

Asked if he agreed with Barry M. Goldwater that Nixon stands head and shoulders over others in the party, Nixon said: "I'd rather not get into that."

He urged immediate rejection of any proposal to withdraw American forces from South Viet Nam and criticized U Thant, United Nations secretary general, for making such a suggestion.

Firearm Control Measure Gains

SACRAMENTO (AP) — The Assembly today unanimously passed and sent to the Senate a bill making it grand theft to steal any firearm.

The measure by Assemblyman Gordon H. Winton Jr., D-Merced, is one of a series aimed at tightening control of firearms.

The house also passed without a dissenting vote a bill including in the definition of a sawed off shotgun a new type firearm, the sawed off rifle.

FEATURED THIS SATURDAY

Tomorrow's Marin Magazine salutes young Marinites with stories about two of their prime interests. Independent-Journal staffers Bruce Coleman and Ellen Bry have collaborated for a photo story about the popular sport of surfing, especially as it is practiced by Marin youths at Bolinas and Stinson Beach. You'll learn why these young people are dedicated surfers. And what it takes to be a successful surfer.

Rock 'n' roll music is another field which the teen-agers can and do claim as their own. Marin's boys and girls are no exception. Magazine editor Don Keown writes about rock 'n' roll in Marin, and particularly about a band of young Marin recording artists—the Opposite Sex—in tomorrow's I-J supplement. Adults will have an opportunity to learn something of the appeal which big beat music holds for their offspring.

DIXIE, SAN RAFAEL UNITY IS DEBATED

Corona Sees Flexible Organization; Willis Wants Standards Maintained

Unification of Dixie and San Rafael School Districts could bring more efficiency, but considerable voter resistance is expected in both districts, three school officials indicated last night.

Speakers were Bert C. Corona, superintendent of San Rafael city schools; Dennie B. Willis, superintendent of Dixie School District, and Earl G. Marshall, chairman of Marin County Committee on School District Organization.

Frank M. Parker was moderator for the sponsors—Parent-Teacher Associations of MacPhail, Hartzell and Santa Venetia Schools. About 80 citizens heard the discussion at the Civic Center.

Corona urged support for the unification proposal for two main reasons:

1. The Legislature, representing the people of the state, is urging unification.

2. Preponderance of professional opinion is that unification would bring a more economical and flexible organization.

Corona predicted several areas of voter resistance:

1. The purpose of unification is to get a better system. To sell the proposal, then, "We must depreciate the present programs and efforts of both districts." That, said Corona, is a difficult thing to do.

2. San Rafael tax payers will resist because their tax rate will go up. The current elementary school tax rate is $2.73 in Dixie and $1.89 in San Rafael, exclusive of bond redemption. If the best programs of both districts are combined under unification, the projected tax rate will be $2.56.

Even if some of the highest standards are compromised, the unified tax rate would run between $2.25 and $2.56. That would mean a tax increase in San Rafael of somewhere between 36 and 65 cents.

Despite these problems, Corona predicted that "differences can be resolved in a spirit of cooperation and understanding."

Superintendent Willis acknowledged that financially the unification would be advantageous to Dixie taxpayers.

He conceded that unification would probably result in better organization.

However, Willis foresaw several areas of "not objection, but genuine concern":

1. Dixie, like San Rafael, has pride in its school program. "Neither of you are about to join in a union which would lower standards or change that which you think is good."

2. Dixie has no assurance of representation on the unified school board. The bulk of the votes is in San Rafael. It may be that the San Rafael Board of Education, in its present form, would take over the new unified district.

Marshall traced the background of the school unification movement. He said the aim of the Legislature appears to be to consolidate school districts and equalize the tax burden by bringing in urban wealth to help growing communities in outlying areas.

Marshall said the "carrot" (money inducement for districts which vote for unification) is not so big as it seems. He said the state school fund already has a deficit, and any further state "rewards" for unification would only increase that deficit.

"That carrot is actually your own; only it's still hanging from a stick in the hands of the other fellow. We'll have to pay for it either way," he said.

Marshall explained that a simple majority of total votes cast would pass unification. If the majority vote is "no," but if one district (either San Rafael or Dixie) has a "yes" majority, that district would be eligible for the $15 per year per child "carrot."

"Thus you could have the odd situation where each district will be hoping the other would defeat it," Marshall declared.

Opinion was divided on the ideal number on the unified school board.

Corona and Marshall said they favor a five-man board.

A large board, said Marshall, tends to "jockey for position, choose up sides with good guys and bad guys." In the maneuvering, "we tend to lose sight of the main objective — educating youngsters."

"I don't think there's a whole lot of difference," said Willis, "but I personally believe a seven-man board would bring better and broader representation."

Some of the questions from the audience injected humor into the two-hour discussion.

One questioner asked Willis, "How can you justify local pride when the majority of the cost is financed by the state?"

Another asked Corona, "Why are you so anxious to swallow up poor Dixie?"

And another asked Willis, "If Dixie doesn't want to unify, and it is not within a high school district, how do they propose to acquire Terra Linda High School, in the light of your preferred impoverishment?"

Willis answered the last one by pointing out Dixie is already in the San Rafael High School District and saying it is not out to "acquire Terra Linda High."

Gets Prison For Russ Aid

CHICAGO (UPI) — Paul Carl Meyer, 25, was sentenced to two years in prison today on charges of selling 15 U.S. passports to the Russians in East Berlin.

The government charged that the Russians also tried to enlist him in espionage work, ordering him to spy on the American consulate and training him in the use of Russian codes.

Meyer, who turned himself in to federal authorities and pleaded guilty, said his motives were romantic rather than subversive. He said he needed money to marry a girl he had met in Ecuador.

It is estimated that there are from two to four million kinds of species of insects with more than 600,000 having been described by entomologists.

Architectural Board Discussed

The Fairfax Planning Commission last night discussed at length a proposed architectural advisory board which would consider all but single family residential developments.

Dan M. Miller, commission chairman, said the idea for board first came up five years ago. The city council rejected the idea at that time, but recently asked that it be considered again.

Miller said the board would have three men. He said he hopes to have an ordinance roughed out for study at the next meeting of the commission March 25.

Four Russian River Bars Must Close

SACRAMENTO (AP) — Four Russian River bars have been ordered closed by the Alcoholic Beverage Control Board on charges they permitted lewd acts and homosexuals on the premises.

At the same time, the board yesterday ordered the owner of the bars, William Blair and his Russian River Development Co., Inc., to find new operators for the bars or face permanent revocation of the ABC license at each.

Ordered closed as of March 1 were bars at River Lodge Beach in Guerneville; Roland's Beach near Guerneville; Surrey Inn near Guerneville; and Guernewood Park Resort at Guerneville Park, all Sonoma County.

The first two sell beer on the premises, the second two beer and liquor.

The board also ordered Blair not to apply or be considered for a license for five years, and not after that unless he can prove rehabilitation to the department.

DINING OUT AND INNS

You Ought To Try Swedish Food On A Trip Out To 'The Valley'

Westerly out Sir Francis Drake Highway, over White's Hill, is known as "the valley." This is San Geronimo Valley that runs for several miles between two ranges of hills, from east of Woodacre past Lagunitas. But to the people who live there, it's simply the valley.

After the fashion of valleys, the residents are friendly but closely knit, drawn together by feelings and ties not always understood by outsiders, particularly those who live on top of hills with a view. There's something about valley living that's warm and comfortable. The ones who deliberately seek it out are recognized as kindred spirits and accepted like kissing cousins.

SUCH EMIGRANTS to San Geronimo Valley last year were **Matts and Phyllis Mattsson,** who bought what used to be Lagunitas Gardens. They'd done a bit of roaming after their departure from the East Coast, but they made one mistake. They came back to look at San Geronimo Valley once too often. Now they're permanent fixtures.

Being Swedish (at least Matts is; Phyllis says she is French and German and sometimes can't understand Matts' accent) they turned the Gardens into a Swedish restaurant, and called it the **Old Viking.** The net product after remodeling is fascinating in its adherence to good taste and decor. It's hard to believe the dining room only seats 16 people.

That can be a problem on weekends, so I'd recommend a midweek trip to start, to enjoy the excellent food leisurely. Menu changes from time to time, but the Swedish dishes are regulars: Swedish beefsteak, jagar schnitzel (try that—it's delicious), pot roast with Swedish pancakes, stuffed cabbage and others. And be sure to try the homemade cheesecake.

The Mattssons are wonderful hosts. I can see why the valley people have adopted them wholeheartedly. You'll like them, too, and what they have to offer.

THERE'S BEEN A CHANGE at the **Cellars,** San Rafael. Dinner is no longer being served, just lunches from 11 a.m. to 2 p.m. Mondays through Saturdays. Steak sandwiches and a daily chef's special. Nights it's straight bar business.

New owner is **Louis A. Buechner** who formerly tended bar at Di Pietro's.

IT SEEMS the **Brothers Two Restaurant** won't be able to get things ready for the grand opening in the Northgate Shopping Center March 11. The **Kutsuris** brothers say it will be more like April 11, give or take a few days. Custom made furniture that was ordered won't arrive in time. But they will be around for the March celebration, passing out free coffee in the mall and getting acquainted with future customers.

Once opened, the restaurant will serve breakfast, lunch and dinner. Hours 7 a.m. to 9 p.m. throughout the entire week. Maybe later some nights. Application has been made for a wine and beer license.

BUT ONE PLACE that did get opened in Northgate Unit 1 is the **T's Broiled Burgers,** and it's already doing a fine business. Counter service only, but it's open seven days a week. Mondays through Saturdays from 7 a.m. to 11 p.m.; Sundays from 8. Breakfasts at all hours, short orders, hamburgers and hot apple pie, etc.

This is an operation of **Frank and Pete Tarantino** and **Caesar Taverna,** all of whom have other restaurants interests. Frank is doing the managing.

FRED REYNDERS, formerly of Oakland and now living in San Rafael, is new owner of **Pete's Pier 15,** which he took over from **Martha and Homer Rose.** No immediate changes, I'm told. Reynders formerly had an offsale liquor license in the East Bay. He's said to be an expert referee for soccer games.

PAINTINGS of **Nevin Kempthorne** of Novato and those of some of her students are now hanging on the walls at **Rancho Rafael,** Ignacio. They'll be there about a month.

Last Sunday night the Rancho tried out discotheque in the Marinoma Room, and it's been decided to keep it going on Sundays from 7 p.m. If there is sufficient interest, it may be extended to take in another night or two during the week.

Meanwhile, **Steve and Johnny** play for dancing Friday and Saturday nights.

TIBURON TRAVEL AGENT Bert Talbot tells me that the Champagne Tours from Fisherman's Wharf, San Francisco, to Tiburon will be on again this year. They'll start April 29 and extend through the daylight savings months, including October, with the usual choice of Tiburon dineries. But since they have gone over so well in the past, it's possible they'll be held on Tuesday as well as Thursday evenings.

IF YOU HAVEN'T already noticed, dancing Friday and Saturday nights at the **Redwood Club,** San Rafael, is in the main dining room instead of the banquet room. **Bill Muggenthaler** leads the Commodores here. He's at the drums; **Al Lang** is at piano and **Ben Lubich** plays sax. Bill should be around until about May when he's due to go out on the Monterey for Matson.

CLOUD FIVE, Novato, hasn't started building its roof garden. "There's one more rain coming," says **Christine Bolton,** "and we can't take a chance on a leak into the dining room when the job is only half done."

Since the roof has to be opened up for the placing of another beam, she has a point, but construction may get under way next month. Once completed, there will be a new menu for the upstairs, featuring still more German dishes.

ZIM'S in the Corte Madera Shopping Center is the proud possessor of a plaque since yesterday, when manager **Dorothy Miller** was presented an award for having the best Christmas decorations last year of all Zim's restaurants in the Bay Area.

ONE MAN SHOW at **Dominic's** Musee D'Art International this week through March 26 features the paintings of **Paul Crotto,** New York born but French trained.

PIPER SINCE WEE LAD—Eugene Wallace has played the pipes with the Sixth Army Band, the Caledonians, and was bagpipe instructor for the San Francisco Police Department Band, but not many diners at Peacock Gap Country Club, where he is a bartender, have known of this skill. He will now be heard at the club more often.

Next At Gate

Paul Goldin, para-psychologist, will conclude his six-week run at the Sausalito Gate Theater March 6. His show is presented each evening, except Mondays, at 8:15.

Kuchel Seeking Farm Labor Pact

WASHINGTON (AP) — California's two senators have called for renewed agreements with Mexico to supply farm laborers and warned failure to do so might be costly.

Republican Sen. Thomas H. Kuchel urged the Labor Department yesterday to take immediate steps for an agreement on importation of farm help from Mexico.

Sen. George Murphy, also a Republican, declared "the need has been established" for assurances from Labor Secretary Willard Wirtz that foreign workers could be imported when needed.

Kuchel said state officials estimate production losses of $30 million in fruits and $120 million in vegetables if California lacks Mexican laborers this summer.

Scholarships Set On Rehabilitation

Dr. Paul A. Steinman, president of the Marin Easter Seal Society, announced today that scholarships for professional people interested in short-term advanced specialized training in rehabilitation are available this summer through the national office.

Grants vary from $50 to $750. The courses, lasting up to three months, are open to physicians, dentists, therapists and teachers.

Hamburger and CHAMPAGNE?

Well, not for *everybody.*

You have to be 21 and come over to Sam's in Tiburon to get it.

And, if you find fulfillment in the works of Edgar Guest, Paul Harvey, Daddy Warbucks, Jane Addams, Norman Rockwell, and Henry Doelger... you might prefer to stick with Sam's tried and true Burger & Beer.

But if a spark of the *bon vivant* burns in your soul, your taste will be abundantly rewarded with this bizarre combination.

Sam's Anchor Cafe has even bottled its own champagne for the occasion.

That would be Sam's in Tiburon.

English Test Perfect Score Made By Girl

JEAN DOUGLAS
Scores 800

A San Rafael High School senior has become the second student in her school history to make a perfect score in the English composition achievement test phase of National Merit Scholarship examinations.

She is Jean Douglas, 17, one of the high school's four finalists for the merit scholarship competition. She is a daughter of Mr. and Mrs. John Douglas of 80 Oakmont Avenue.

Miss Douglas scored 800 in the composition test. Only one other San Rafael High School student has done so in the recollection of the present faculty.

She also scored highly in mathematics and French achievement tests, with her math score above 700.

Also a semi-finalist for a California State Scholarship, she will receive one of 10 Bank of America certificates awarded students who have excelled in various subjects this year. Hers will be for social science.

Now taking a calculus course at College of Marin, she has applied for entrance to Stanford and Cornell universities and to Pembroke College, Providence, R.I.

Woman Booked In Shoplifting

Another Novato housewife was booked into Marin County Jail yesterday on a shoplifting charge from Purity Store at the Nave Shopping Center.

Mrs. Clara Margaret Breuer, 52, of 712 Del Mar Avenue, was booked into Marin County Jail and released on her own recognizance. Woodrow Shropshire, store employee, made a citizen's arrest of Mrs. Breuer at 1:30 p.m. yesterday, according to police. He said she put a carton of cigarettes and a bottle of mouthwash in her purse.

She was the third arrested by Shropshire in the past week at the same store on a shoplifting charge.

Painting Exhibit

Andrea L. Hendrick of San Rafael will open a one-man showing of paintings Tuesday at Creative Arts, 22 El Portal, Sausalito. Her work will include oils on the social theme of life of older people in retirement. The show runs through April 15.

Citizens Help Find Suspect

Sinet Simon heard a commotion in the Sausalito Coin Launderette below his apartment at 516 Caledonia Street in Sausalito at 11:15 last night and went downstairs to investigate.

He found the soft drink machine had been broken into. Seeing a car pulling away, he noted the license plate and telephone Sausalito police.

Sheriff's deputies a short time later apprehended a 16-year-old boy in Marin City through description of the car. The youth, a Marin City resident, admitted breaking into the machine with a tire iron and gaining $1.75, they said. Police cited him to the juvenile probation department.

Country Day School Reading Talk Slated

Dr. Caleb Gattegno of England, publisher of educational literature, will address the faculty and trustees of Marin Country Day School, Corte Madera, Monday at 4 p.m. and 7 p.m. in the school library.

Gattegno will describe the color reading system with which he has taught illiterates to read.

Kentfield Fire Board Asks Appointment

The Kentfield Fire District board last night requested the county board of supervisors to appoint Joseph T. Smith to another term. Smith was the only person to file for the coming vacancy on the fire board.

The directors heard a report that all pumpers had been tested and approved by the Pacific Board of Fire Underwriters.

Youthful Hams Hope To Carry On Tradition

Youthful amateur radio operators at Del Mar School hope to continue a tradition through their club named "Votar," the Voice of Tiburon Amateur Radio.

Club members hope to take over the call letters W60ZC for the school radio, which for years were the sign that Howard O. Douglas of Tiburon was on the air.

Douglas was the Tiburon Fire Department dispatcher from the wheelchair in his home, where he was confined with polio. His call letters were widely known. His 24-hour a day stint as fire dispatcher ended in 1961 when he died of a heart attack.

Del Mar students interested in radio meet during each lunch break in the classroom of teacher Ted McMillan to send and receive on his surplus Army set and practice code signals. McMillan was a Navy radio operator aboard cruisers in World War II.

Students in the club work toward gaining their home operator's license by passing code tests and learning the mechanics of the radio. They have talked in code to other hams as far away as Oregon.

Five eighth grade boys have just gained their novice licenses, allowing them to send with code; they now are aiming for the licenses which will allow them to send either by code or voice.

New ham operators are Jack H. Phillips (WN60GB), David C. Gilbert (WN6RGF), Joseph (Dan) Marshall (WN60GC), Gary A. Winblad, (WN60GD), Patrick S. Kirby (WN60GE).

San Rafael Attorney Is New Republican Council President

Paul R. Haerle, San Rafael attorney, will succeed Charles Michals of Kentfield as president of the Marin Republican Council for 1965.

James Crumpacker, publicity chairman for the group, announced the following new officers who will serve with Haerle:

Executive vice president, Rodgers C. Broomhead of Ross; vice presidents, Harry Diner of Corte Madera and James R. Osborn of Ross; secretary, Melville Owen of Kentfield; treasurer, Edwin W. Thomas Jr. of San Rafael.

Haerle is a member of the Marine Republican Central Committee, chairman of the comittee's first district caucus, and an associate member of the State Republican Central Committee.

Guard Retires At San Quentin

Sgt. William L. Garrett retired yesterday after 36 years service at San Quentin Prison.

Starting as a guard, he served under five wardens and was for many years active in the public employees associations. In 1953 he was commended for disarming an inmate.

Garrett, 62, now living in Novato, plans to retire to Rohnert Park, Sonoma County.

Lack Of Quorum

There was no meeting of the Corte Madera Board of Design last night because of lack of quorum. The meeting was rescheduled for 7:30 p.m. Monday at the town hall annex.

Police Capture Mayor's Son

TURLOCK (UPI)— Enoch Christoffersen Jr., 21, son of the mayor of Turlock, was captured by police yesterday after he fired five shots at officers during a brief siege at the mayor's home and led them on a high-speed, 20-mile chase.

The youth was taken to Modesto State Hospital, where he formerly had been a patient.

The mayor's wife called police to report that her son was firing a rifle in the family home. Fifteen officers responded to the call, and Christoffersen greeted them with five shots before fleeing.

The youth led police on a chase to Oakdale before he was captured. No one was injured.

McCarthy Vows Peace Wire Probe

WILLIAM F. STANTON
Gives his side

SACRAMENTO (AP)—Senate Minority Leader John F. McCarthy said today the upper house "would pursue to final passage" a resolution asking a federal investigation of a controversial Viet Nam telegram by three Democratic assemblymen.

The resolution, co - sponsored by McCarthy and Senate President Pro Tem Hugh M. Burns, D-Fresno, calls for a U.S. Justice Department probe into the telegram sent to French and British leaders.

The 53-word telegram, asking the foreign leaders to use their "influence to halt any further escalation of the war in Viet Nam," was signed by Assemblymen Willie E. Brown Jr. and John L. Burton of San Francisco, and William F. Stanton Jr., San Jose.

The Senate resolution does not mention the three assemblymen. It does ask for an investigation to determine whether the telegram violated a 1799 federal law involving American citizens' relations with foreign governments.

McCarthy's comment came after Stanton told newsmen "It's my intention to take this to the very end. I'm going to be fully vindicated or I'll be in the federal penitentiary. And I don't expect to be in the federal penitentiary."

Stanton, at a news conference, added, "I dare Sen. Burns to bring that bill out of committee. I dare him to get it passed by the Senate."

Burns would say only, "Mr. Stanton is going to hang himself by his own rope."

McCarthy, after predicting the resolution would reach the Senate floor for a vote, added, "It's ridiculous to comment further on Mr. Stanton's remarks." Then, as an afterthought, the San Rafael Republican said, "foolish man."

The other two assemblymen involved in the resolution have been silent. Brown said, "I have no coment at all, none on the resolution, none on Mr. Stanton's news conference."

Burton was not available for comment.

Stanton told newsmen the resolution had provoked harassment of his wife and possibly could end his political career.

In a bitter attack on the two Senate leaders, Stanton said it is clear that "this is one of Sen. Burns' attempts to intimidate people. Sen. Burns has control over certain people who can investigate my character all the way."

When asked what people, Stanton replied, the State Senate "Committee on UnAmerican Activities, for one."

The resolution, Stanton continued, "is a serious personal attack on my character and in the minds of many voters this will be evidence I have broken a federal law."

The Assemblyman then said "The only McCarthy I know is "a ventroloquist's dummy" and remarked that Burns and McCarthy together "might make one minority leader."

Stanton, former economics teacher at San Jose State College, UCLA and Arizona State University, said he would make a direct appeal to the U.S. attorney general for a ruling on whether "I have broken any federal law."

"Even if this resolution doesn't pass the Senate," he said, "I will ask for this ruling."

Doctors Henry Chaker, Frank Heiber and Richard Walker will examine the students on Thursday for their reactions to the tests.

Ambulance Leaves Mill Valley Area

A temporary manpower shortage has halted direct Marin Ambulance Service from the company's 550 Almonte Boulevard location near Tamalpais Junction, Robert A. Parker, company head, said today.

"We expect to be back in full service within 30 days," he said Meantime, ambulances are being sent from the Larkspur office at 4 Ward Street.

"We are definitely not closing the office," Parker said.

The office was opened last September on a trial basis.

Fisher Act Sparks Feud On Education

SACRAMENTO (AP) — The smoldering, long-term feud between education leaders Thomas W. Braden and Max Rafferty has found a new battleground in a 4-year-old teacher credential law.

The flareup was sparked by recent legislation from Assemblyman George W. Milias, R-Gilroy.

At issue is the Fisher Act, which requires would-be instructos to major or minor in an "academic" subject.

ACADEMIC MAJORS

Aspiring school administrators are required to have an academic major. In the past, administrators could have majors in such subjects as physical education.

What does the law mean by "academic?"

The 1961 legislature stayed out of the controversy when it passed the law and left it up to the State Board of Education.

The board ruled this included such areas as history, economics and other subjects in the social, natural and biological sciences.

Physical education, home economics, health education and business majors were excluded.

Milias' bill would restore this subject matter to credential requirements.

Milias calls the present law "discriminatory" toward hundreds of potential teachers in the state.

BILL SUPPORTED

Rafferty, state superintendent of public instruction, is supporting the Milias bill because, he claims, the present law creates a "second class citizenry" in teh teaching ranks.

Braden, president of the board, takes sharp issue.

He asserts that the current defined academic areas as "basic subjects" and that any lesser requirement "would be a betrayal of the victory for excellence in education which the people of California won four years ago."

"The Fisher bill put teacher training on the right track in California," Gov. Brown has said. "I want it to stay there."

Brown Is Hit For Shifting State Funds

SACRAMENTO (AP) — The Democratic chairman of the Assembly Rules Committee charged today that Gov. Brown's administration financed a study of waste disposal with surplus money that might have gone to help alcoholics and crippled children.

The unusual attack by Assemblyman James R. Mills of San Diego was touched off by a $100,000 contract the state recently awarded to the Aerojet-General Corp. to find the best ways of getting rid of wastes like sewage and garbage.

Mills told a reporter that $20,000 of the money came from the alcoholic rehabilitation program —money requested, but no longer needed, by San Francisco.

Another $50,000 was from the state crippled children's program. It was made available when the state got $50,000 in federal funds. The rest of the money came from federal general research funds.

Nobody went without help but Mills objected to Finance Director Hale Champion shifting the money to the waste disposal program without legislative permission.

"Maybe the legislature wanted to use the money for crippled children," he said —suggesting that the surplus created by the arrival of new federal funds could have been used for additional state aid programs.

He said the $20,000 in alcoholic rehabilitation money could have been given to the Presbyterian Medical Center in San Francisco for its impoverished program to help drinkers.

Now, the center is seeking a $25,000 appropriation in the state to keep its program in business until July 1.

"The Finance Department is making decisions that are supposed to be made by the legislature," he said.

The waste disposal contract is one of four given by the state as part of a program to put space firms to work solving the state's problems. All are for $100,000.

On the day he turned 28, Feb. 22, 1760, George Washington wrote in his diary that he helped build a fence around a peach orchard.

Mrs. Gatov Resigns As Committeewoman

Elizabeth Smith Gatov of Kentfield resigned yesterday as Democratic national committeewoman from California, effective March 6.

In her letter of resignation to Gov. Edmund G. Brown, Mrs. Gatov gave "increasing personal and family responsibilities as the reason for her resignation.

"She was the greatest and contributed tremendously to the Democratic Party," state chairman Roger Kent of Kentfield declared today. "She is a great and gracious lady and added stature to the party. We are sorry she wants to get out."

Kent said he is "quite sure" that Mrs. Gatov will be succeeded by Mrs. Anne Alanson of San Francisco, now Northern California women's chairman.

Mrs. Trudy Owens of Palos Verdes is also mentioned as a possible successor.

Mrs. Gatov said she is resigning now so that her successor can be chosen between campaigns and there will be continuity in the 1966 campaign.

ELIZABETH SMITH GATOV
To stay active in party

In her letter to the governor, Mrs. Gatov left no doubt that she expects to remain active in Democratic party affairs.

"You can depend on me to do all in my power to assist the Democratic Party in its return to unity and solvency," she wrote

Mrs. Gatov, 53, was elected national committeewoman in 1956. In 1961, President John F. Kennedy named her United States treasurer. In 1962 she resigned as treasurer and returned to California.

She married Albert W. Gatov, who was appointed last month to the state Public Utilities Commission.

Governor Brown accepted Mrs. Gatov's resignation "with the deepest regret." He thanked her for "loyalty, graciousness and friendship."

Fire-Car Death Defense Sums Up

SAN BERNARDINO (AP)—The attorney for Lucille Miller, 35 - year - old expectant mother charged with murder in the death of her husband, has told the jury in his final argument:

"The only derogatory testimony about Mrs. Miller came from two people, Arthwell Hayton and Erwin Sprengle."

Hayton, an attorney, testified to an affair with Mrs. Miller. Sprengle, a contractor, is Hayton's business associate.

Said defense attorney Edward P. Foley yesterday.

"We did not dignify Arthwell Hayton's testimony by answering it. Why? Because it was not worthy. Mr. Hayton and Mr. Turner, have perpetrated a fraud on this court."

Prosecutor Don Turner objected to the last statement on the ground that it constituted improper conduct. Superior Judge Edward P. Fogg sustained the objection, terming the defense attorney's language "ill-chosen."

Sprengle also testified to an affair between Mrs. Miller and Hayton, saying she discussed it with him on several occasions.

Foley stressed to the jury that Mrs. Miller was on trial for murder, not adultery, that she is presumed innocent until proven guilty.

Then he said:

"There has been only one witness in this trial who testified that the fire (that burned the Miller car and killed dentist Gordon Miller, 39, last Oct. 8) was of incendiary origin."

He was referring to William A. Snare, San Diego arson expert for the National Auto Theft Bureau.

Turner earlier told the jury Mrs. Miller picked a lonely, "wonderful place to have an accident." He said she wanted the car to go over the embankment beside the spot where the car burned.

If that had happened, Turner said, "there would have been no more than a cursory examination."

Mrs. Miller, wearing a green wool maternity dress, kept her eyes closed as Turner talked.

Innocent Plea Entered In Fracas

Patricia E. Wormuth and her husband, Ronald E., pleaded innocent in Marin Municipal Court yesterday to charges arising from a roadside fracas with highway patrolmen and police on Highway 101 near Terra Linda last Sunday.

Judge Joseph G. Wilson scheduled setting of trial for the Fairfax couple for 1:30 p.m. Monday.

Mrs. Wormuth, 25, is charged with obstructing police officers in performance of their duties and with being drunk in a public place. Wormuth, 24, is charged with drunken driving.

Officers said Wormuth swerved his car off the Terra Linda on-ramp in erratic manner, then pushed and swung at Highway Patrolmen J. L. Smith and G. A. Brooks. Mrs. Wormuth came to his aid, according to the report, and the patrolmen radioed San Rafael Police Officer Gary Walter for help.

Walter wat hit and scratched by Mrs. Wormuth, it was alleged.

He Climbs Wall To Unlock Door

Patrolman Henry W. Ingwersen of San Rafael police went wall climbing last night after responding to a call from Carolyn Lee Sibins at 820 E. Streets.

But there was no thief to chase; the woman had simply locked herself out of her second-floor apartment.

Ingwersen scaled his way to the roof, got in through an open bathroom window and unlocked the door from the inside.

Two Candidates File For School Boards

After a slight lull in filing activity, two candidates today filed at the county school office to run in April 20 school board elections.

The first candidates to file this week were incumbents Ray A. Hubbard, of 19 Spring Lane, Ross, for the Ross School District Board, and Robert W. Corlett, of 14 Carolina Avenue, San Anselmo, for the San Anselmo School District board.

CAPS, GOWNS DUE PRISON GRADUATION

San Quentin inmates graduating from Bayview High School at the prison will have caps and gowns and graduation pictures this year, the county schools office reported.

The San Rafael Kiwanis Club has contributed $220 to provide individual pictures for all graduates and the Associated Students of College of Marin have provided for the loan of caps and gowns.

No Dredging At Bolinas This Year

Nothing will be done this year to dredge the channel to Bolinas Lagoon, the Bolinas Harbor District board decided last night.

However, the commission heard a new proposal from Bolinas Rod and Gun Club that the sea wall be extended to help keep the channel open.

Decision not to dredge the channel was based on a report from John A. Blume and associates of San Francisco, engineers.

The company found, reported Commissioner Clyde W. King, that lifting sand out of a trench and piling it on either side of the trench would probably not be effective since the sand within a few months would probably be returned to the trench.

The engineering firm advised that money would be well spent to make studies of sideways sand drift, thus assisting the Army Corps of Engineers which is making a feasibility study of Bolinas Lagoon as a harbor of refuge.

Bolinas Rod and Gun Club representatives, said King, presented drawings proposing extension of the sea wall on Wharf Road to 250 or 500 yards. The sea wall borders the channel.

Commissioners said they will present the sketches to the engineers and attempt to get the Army Corps of Engineers to review them.

The club was praised for its initiative, said King.

Next meeting of the commission will be at Stinson Beach Community Center at 8 p.m. March 25.

Carved Christ Head Discovered

CHIAVARI, Italy (AP) — A huge head of Christ, carved on a secluded mountainside apparently centuries ago, has been discovered near Rocca di Borzone, inland from this Italian Riviera resort.

Existence of the 23-foot-high sculpture had been unknown here. The features are badly worn but still clearly recognizable.

The discovery was made by a municipal official inspecting the rugged mountainous area to map the route for a new road.

U.S. Temperatures

Plans To Retire

SACRAMENTO (AP) — Dr. Guy A. West, 66, president of Sacramento State College since its establishment in 1947, said today he will retire in September.

Six Suspects Booked In 'Grudge' Slaying

SACRAMENTO (UPI) — Six suspects were booked in jail on murder charges today following a wild bullet-punctuated grudge fight on an Isleton street which left a Rio Vista youth dead and two brothers injured.

Sheriff's detectives identified the victim as Carlos Garcia, 20. Hospitalized with gunshot wounds were Joseph Louie Maciel, 25, and his brother, Gilbert Anthony, 24, Sacramento.

Officers said the shootings occurred when the three met the suspects on an Isleton street and a grudge fight ensued over a "long-brewing difficulty between them."

Garcia was cut down with a bullet in the heart and leg while the brothers suffered head and hip wounds. They were listed in satisfactory condition at Sacramento hospitals.

The suspects were arrested shortly after the incident by highway patrolmen, San Joaquin County sheriff's deputies and Stockton police south of Stockton. The suspects' car, matching the description of that broadcast in an all-points bulletin, was forced to the side of the road.

Booked on murder charges were Cecinio G. Agero, 21, Victor M. Apalit, 22, Ismael T. Claro, 20, all of Walnut Grove; William Romias, 20, Isleton; Domingo Megia, 21, and Limabino Sison, 20, both of Ryde.

Sewer Extension Plans Approved

Plans for three sewer main extensions were approved last night by the Novato Sanitary District board.

They will serve Kaden Park Units 2 and 3, the Country Club Apartments off Ignacio Boulevard, and a portion of Diablo Avenue near Hill Road.

The board also approved an agreement with William Nave to extend mains across the Nave Shopping Center on South Novato Boulevard to property of Paul Pickart.

March board meetings were set for March 8, 18 and 29.

To Be Installed

Kitty Buel will be installed as president of the Tamalpais High School French Club at a dinner at 6 p.m. tomorrow at the home of club member Debbie Draper. Other officers are Nancy Keast, vice president, and Kathy Jenkins, secretary-treasurer.

Two Escaped Prison Inmates Still On Run

Two men, serving sentences for first degree robbery, escaped from San Quentin Prison last night and were still on the run today.

They are Larry James Lane, 26, committed from Placer County, and C. L. Clark, 36, committed from Fresno County.

The break was discovered at 11 p.m. when prison officers realized the pair had walked away from their ranch dormitory, outside the prison walls.

The alert procedure was put into effect but no trace of the missing pair was found.

Clark, born in Oklahoma, has served two years of his five-year to life sentence and Lane, born in Marysville, has been at San Quentin two and one-half years of a similar term. Both were thought to be wearing their prison blue uniform.

School Measure Gains In House

WASHINGTON (AP) — A section of the administration's school bill providing special centers for improving the quality of education was adopted today by the House Education and Labor Committee.

Two parts of the $1.2-billion program have now won committee approval, but the main section, aimed at increasing educational opportunities for poor children, has not yet been acted on.

Chairman Adam Clayton Powell, D-N.Y., said the committee would meet Saturday in hopes of completing action on the entire bill.

Three-Way Race For Mayor's Post Looms

Continued from page 1

paigning unsuccessfully for supervisor, he had said he would retire from the mayoralty, and that "even though the draft is a heady thing, I'd like to have my record of keeping my promises quite untarnished."

He said he wants to become supervisor for the same reason he served the city—to help the entire county "prepare for the future."

McInnis was nosed out by 258 votes by incumbent Byron W. Leydecker, then serving by gubernatorial appointment, for county supervisor from the First District last November. Leydecker's election then was to complete the term of the late Walter R. Castro, so the position will be up for election again in 1966.

Guest speaker, former San Francisco Mayor George C. Christopher, paid McInnis high tribute as an associate in the Assn. of Bay Area Governments and other activities. He said McInnis's honesty, dedication and determination to keep corrupting influences out of Marin has made the mayor's job in San Francisco an easier one.

Former newspaper humorist Paul Speegle was master of ceremonies. There were 178 persons at the testimonial dinner.

Aby, who will be 59 on Monday, has served on the San Rafael city council since 1951, and is currently vice chairman. He is an osteopathic physician and surgeon.

Aby, his wife Edris and two teen-age children live at 20 Eye Street. In addition to his council duties, Aby has served as secretary of the Bay Area Air Pollution Control District, and is active with the Optimists Club, Toastmasters, Chamber of Commerce and other organizations.

Candidate Filippo, a 14-year resident of San Rafael, unsuccessfully ran for the council in 1961. He is active with home builders' associations, Masonic and Elks lodges, bowling groups and the Club Italia of Marin. Filippo, 51, and his wife, Constance, live at 215 Mountain View Avenue; they have a son, a daughter and four grandchildren.

"I've always wanted to do something for the City of San Rafael, Filippo said today. "It's been good to me; I think the city needs someone with my experience." He said his detailed platform will be announced later.

Candidate Bettini, eight-year member of the board of education, lives with his wife Margaret, and four children at 23 Chestnut Avenue. The 44-year-old insurance broker is active with the Kiwanis, American Legion, Little League and Pony League and Boy Scouts.

Although he made no formal announcement at McInnis's dinner, Councilman Aby told friends and the press afterward that he had "promised to run if John didn't run again."

"I make no promises" of a platform at this stage, Aby said, "other than that I can only do what the people of the community want, and to see that projects already established are carried to completion." He stressed that the mayor's job requires someone already familiar with the problems.

Novato Girl Is Struck By Loose Board

A loose board in a pile of lumber fell from a car yesterday, striking and injuring a six-year-old girl who was walking beside the road in Novato.

Judith Gale Gallardo, daughter of Mr. and Mrs. Louis Gallardo of 1704 Center Road, Novato, was knocked down by a board which fell from a westbound car on Tamalpais Avenue, west of Orchard Street, driven by Mrs. Beverly Frances Bosque, 31, of 8 Betty Lane, Novato, according to Novato police.

Judith was treated at Novato Hospital for bruises to her right arm and shoulder.

Police cited Mrs. Bosque for having a load extending more than six inches from the side of the car.

Lodge To Study Saigon Situation

WASHINGTON (AP) — President Johnson today asked Henry Cabot Lodge, former ambassador to Viet Nam, to undertake a study of the Vietnamese situation and report back within a few days.

Lodge said Johnson asked him to take on a consulting role and to get all the information from various departments and agencies of the government that will bring him up to date on Viet Nam.

Lodge said he will have recommendations to make if he finds any room for improvement, and that he has some tentative ideas already.

Hospital Room Rates To Go Up

Marin General Hospital room rates will go up April 1, the hospital district board decided unanimously last night.

Rates for a double room will be raised from the present range of $26 to $28 a day to a uniform charge of $29 a day. Private rooms, now costing from $30 to $35 a day, will go up to $33 to $38, depending on the size and view.

Even so, Hospital Administrator William W. Turner told the board, the hospital will finish the fiscal year about $17,000 in the red. If the rates were not changed, he said, the hospital would have a $40,000 deficit by June 30.

He said the $17,000 loss should be wiped out by September. He said also that if the board had not lowered room rates by $1 last June, the district would have come out $14,000 ahead. Turner had opposed the rate cut.

"Occasionally an administrator gets to tell a board, 'I told you so,'" Turner commented. He noted that the directors who voted for the rate cut are no longer on the board.

Turner said the hospital's rates will still be far below any hospital in San Francisco and will be about the same as others in Marin County. He predicted San Rafael General Hospital would increase rates soon.

Turner said a recent pay raise was not a major factor in the hospital losses. The salary cost per patient per day in July, when a surplus was being shown, was $37.50. In January, when the district lost about $22,000, the cost had dropped to $36.79 in spite of the raise, he said. But the more efficient service by workers was offset by increased cost for professional services on contract and for supplies.

One part of Turner's request was turned down. He asked for a special $3 charge for moving a patient from one room to another. Dr. T. Scott Strathairn, chief of staff objected.

Board chairman Marion C. Ibach said she would like to see rates go higher so a reserve could be built up for depreciation of the building. Turner suggested holding that question until budget time.

Trustee Hadden W. Roth wanted to keep down the minimum price of single rooms at $31, the same as at Ross General Hospital but did not dissent in the voting.

The Marin Hospital District board also:

1. Met Herbera Brandt, Irving Chapman, William Davison and Steven Heller, all prospective members of the board to fill a presently vacant position. The board had met Fred Galbreath, another candidate, on Tuesday.
2. Agreed to use the Wells Fargo Bank as trust officer for the employee pension fund if it is the least expensive bank available.
3. Approved spending $4,500 to install a nurses' signal system in the pediatrics ward.
4. Told Turner to hire an architect for the proposed closing in of the area under the cobalt bomb wing for location of the emergency generator and provision of maintenance shop space. Construction cost was estimated at $12,000.

New Apartment For Khrushchev?

MOSCOW (AP) — The address is No. 21 Starokonyushenny Pereuluk, Apt. 57, and three 17-year-old residents of the building say it's Nikita Khrushchev's new building.

The building superintendent says it isn't.

Other adults living in the eight-story apartment building next door to the Canadian Embassy wouldn't talk.

Khrushchev's wife, Nina, and a daughter have been there several times fixing up the fifth-floor quarters, believed to be a six-room apartment.

3 Tiburon Councilmen View 'Glare'

Three Tiburon city councilmen last night tourned the neighborhood of the Belvedere Tennis Club, trying to determine how bright is bright.

Neighbors say the club lights cause glare on their property or into their homes, and want the lights out. Tennis club members say their lights are well shielded and want them to remain for night tennis playing.

Councilmen John S. Hoffmire Jr., Anne L. Ellinwood and Fred C. Hannahs toured five home sites on Mar Vista Court, Hawthorne Drive, Palmer Drive and Tiburon Boulevard and the area of the Tiburon Congregational Church with representatives of the club.

They will render their decision at a future council meeting.

Heart Flutters Up In The Blue

LORAIN, Ohio (AP) — William H. (Bill) Long was bounced out of Army flying because of a "palpitating heart." But he's still flying.

Long, now 80, has logged about 8,000 hours — nearly a year — of flying time and still manages to fly his 1947 light plane up to six days a week. The Army turned him down as a flyer, though, in World War I.

Long taught himself to fly in 1908 and in 1910 became an associate of aviation pioneer Glenn Curtiss. He helped build a plane Curtiss flew from Cleveland to Cedar Point over Lake Erie and Curtiss gave him instruction in flying techniques in return.

Long now owns the Lorain City Airport.

Bircher Gives Word To Students At Tam

By JACK ARAGO
Tamalpais High School Student

We should not get out of Viet Nam.

Let's not worry about what goes on in Mississippi but concern ourselves with problems here.

I would dispute the right of a Communist to speak in public.

These ideas were presented to 150 Tamalpais High School students yesterday by W. Gary Woodward of Larkspur, spokesman for the John Birch Society.

The students first gathered at room 9 in Wood Hall but, with so many students appearing, changed location to Mead Open Air Theater.

Woodward's talk was sponsored by the Tam Free Speech Forum, a club headed by student Mike Heller.

Main purpose of the Birch Society, Woodward told students, is "to educate everybody to the threat of communism." He said the society is organized as a football team with Robert Welch as head coach, the advisory council as assistant coaches and members as players.

Membership is voluntary and the organization has four levels of action: self-education, to inform others, defense and offensive action.

Woodward told students "America is being destroyed by Americans who will not think" and "action without knowledge leads to chaos." He said, "The country as it is is going leftward down the drain."

Woodward declared California needs more Republican national conventions because last year's convention increased society membership a lot. He added, however, the society is not associated all with the Republican Party. He said 35 per cent of its California members and 50 per cent of its nation-wide members are Democrats.

Student Lynn Jolly asked: "Do you think that the United States should get out of South Viet Nam?"

Woodward replied: "No, but we may have to settle for a negotiated settlement. We should turn to Chiang Kai-shek for help."

"What do you propose to do about civil rights problems in the U. S.?" asked student John Meyers.

"Education," said Woodard. "Let's not worry about what goes on in Mississippi but let's concern ourselves with here."

One student, whose name was undetermined, asked, "Would you dispute the right of a Communist to speak in public?"

"Yes, absolutely," said Woodward.

"How do you brand a man a Communist?" asked student Bruce Scott. "By studying the man, his ideas and history," was the answer.

Student Fritz Grinszell quiried, "Do you accept the statement of your leader, Welch, the President Kennedy and President Eisenhower were part of a Communist conspiracy?"

"No comment," Woodward replied.

Bob Murphy asked, "Why is one of your letter writing campaigns writing against the Xerox Co.?" Woodward replied that "We think it is strange for an American corporation to build the United Nations image on recent television programs. The U.N. was conceived and is controlled by the Communists.

Paul Friedman asked, "What is the civil rights bill doing to us?" Woodward said it is 10 per cent civil rights and 90 per cent intrusion of the federal government into our lives."

"Are you in favor of states rights?" a student asked, to which Woodward answered, "Yes, we're fighting for a return to constitutional government."

One of Woodward's last statements was, "I'd rather be dead than red."

Gunshot Wound Fatal To Girl, 13

BURBANK (UPI) — Elma Irene Whiteside, 13, died today in Burbank Community Hospital from a gunshot wound which was accidently inflicted during a "cops and robbers" game at her Desert Lake home.

The girl was flown to Burbank for surgery on the head wound Tuesday.

Kern County sheriff's officers said the shooting occurred Monday when the girl was playing the game with Robert John Felber, a 21-year - old Marine stationed at the Marine Corps Supply Depot in Barstow. The girl's 15-year-old sister Roberta was also present.

Deputies said Elma had a 22-caliber rifle and the Marine carried a 22-caliber automatic pistol. They said Felber chased the girl into the kitchen, removed the clip from the gun and pointed the weapon at Elma. The slide on the gun fell forward and fired the bullet which was in the chamber.

The bullet struck Elma in the temple. She was unconscious from the time of the accident until she died.

SCOTTY'S RETIRING

Bit Of Old Ireland Leaving Assessor

A little bit of Ireland will be missing from the county assessor's staff after today.

Frank Scott, a son of the Old Sod and a county ranch appraiser for the past 20 years, will leave at the end of the work day because he has reached the compulsory retirement age of 70.

Scott, who is called "Scotty" despite his Irish brogue, said he is planning to return to Ireland this fall for a visit.

He thought he would go back to his old school, Skerry's College in Londonderry, to see if the honor roll with his name on it is still hanging there.

Scott, a native of Ballybay, County Monakham, served in the British Army during World War I as a captain and at one time was attached to the U. S. Army.

He came to the United States in 1928, worked for a grocery chain in New York for awhile and then moved to California where he was in the ranching business before he started work for the county as a ranch appraiser Feb. 15, 1945.

Scott recalled the early '30s when lots in Novato were selling for $50, $60 and $100, and ranch land sold for $25-$30 an acre.

Ranchers today "are sitting on a keg of gold," he said.

Kelly married the former Mollie Nave in 1941. They live at 1131 East Court Road, Novato.

Scott's co-workers in the assessor's office will have a retirement party for him tomorrow night at Rancho Nicasio.

Police Tighten Security Around Rights Leader

LOS ANGELES (AP) — Police tightened security around civil rights leader Dr. Martin Luther King Jr. today, while searching for a man they described as a white racist who may be armed with high explosives.

Detectives said they found boxes of stolen dynamite and other explosives last night in the apartment of Keith D. Gilbert, 27, a gun dealer already awaiting trial on the charge of attempting to kill a man — a Negro — last September.

Two men later were picked up for questioning in connection with the theft. Subsequently, they were booked on suspicion of burglary.

Officers said the boxes found in Gilbert's apartment had been opened, and it was not known whether any dynamite or ammonium nitrate — an unstable chemical which vastly increases explosive potential — was missing.

The explosives found, however, were those taken from a powder company magazine early yesterday morning, police reported.

Several hours after the theft an anonymous caller said the dynamite would be used to kill Dr. King.

Police identified the two men booked on suspicion of burglary as Rodney Chesney, 42, and his nephew, Ronald Bartell, 24, both of nearby Sunland.

Also in Gilbert's apartment, police said, were bazookas, a mortar, hand grenades and application forms for a group one officer identified as The Minutemen.

Loot Taken From Home In San Rafael

Louis Frank Bortfeld of 249 Jewell Street, San Rafael, complained to the police yesterday that his home had been broken into during the past three weeks and some property stolen.

Missing are a typewriter worth $125, two ski sweaters valued at $40 each, a $20 shotgun and a portable sewing machine. Method of entry was not known.

A $35 corduroy car coat was stolen from the lost and found department at Terra Linda High School. Mrs. Mildred Lyon Mahoney of 200 Mount Shasta Drive, San Rafael, reported the coat belonged to her daughter.

An auto theft was reported yesterday by Fronilde Scharph of Morningside Drive, Corte Madera. She said she left her two-tone Ford station wagon on A Street in San Rafael at 2 p.m. and when she returned at 4:40 p.m. it had gone. Her keys were not in the car, she said.

Theft From Home

Theft of a $75 builder's transit from a storage structure at home of Frank Van Peer, Highway 1 at Olema, was reported today by sheriff's officers. Van Peer told deputies the theft was between last Friday and yesterday.

Electric Guitar Stolen

An electric Spanish guitar, valued at $300 was taken from his car between 7 and 8:30 p.m. yesterday while it was parked at his home. Paul Everett Johnson, 31, of 1033 Sixth Street, Apt. 8, Novato, reported to Novato police.

Wolfe Grade Extension Defeat Is Regrettable

The decision to kill the Wolfe Grade extension to Bon Air Bridge was a regrettable one.

It is true the supervisors were under immediate pressure from parents and school officials who loudly protested any road extension past Wolfe Grade School and Marin Catholic High School.

However, in succumbing to that pressure, the supervisors may have hurt the long-range interests of the traveling public.

A Wolfe Grade extension, connecting San Rafael with Bon Air Road, has been an integral part of the county's highway master plan since 1952. It was meant to provide a direct route from San Rafael to Larkspur, thus diverting considerable traffic off Sir Francis Drake Boulevard.

Despite the fact that Wolfe Grade extension was in the master plan, a school was built almost directly in the path of that proposed extension. That was poor planning.

Now that the school is up, the supervisors, by split vote, decide to cancel the extension plan.

As dissenting Supervisor Ernest Kettenhofen pointed out, Sir Francis Drake is already choked with traffic. The Wolfe Grade extension would have relieved some of the congestion.

The extension would also have provided another access to Marin Catholic High School. The high school's access to Sir Francis Drake may have to be closed if Drake becomes a completely divided highway.

"Burying" the extension also kills plans for a county park which had been proposed between that extension and Corte Madera Creek.

Marin General Hospital also had expansion plans, predicated on the idea that Bon Air Road could be re-routed to tie in with the Wolfe Grade extension, thus providing more space for hospital expansion.

The major argument against Wolfe Grade extension was the "traffic hazard" to school children.

Proponents of the extension pointed out that a pedestrian walkway over the extension and other safety features would have been built.

Furthermore, the major hazard is Sir Francis Drake, not Wolfe Grade.

Wolfe Grade extension, if voted out now, is out forever. What little open area remains for the proposed extension will soon be filled for other needs like the expansion of Marin Catholic High School or Wolfe Grade School.

The direct route from San Rafael to Larkspur will be killed forever.

Building a school in the path of a proposed major thoroughfare was a mistake. Giving up the extension is another mistake.

Here is a case where two wrongs not only do not make a right; they add up to a mess.

Marin's Ornamentals Are Blooming

The ornamental fruit trees, the Peruvian Quince, Japanese Plum, etc., are starting to show color. Called ornamental because most of them are grown solely for their flowers, which are as a rule, larger and more showy than those grown for fruit. Some of the ornamentals are dwarf trees, even shrubs.

We like the little red quince shrubs and the pink blossomed, purple-leafed plum. But this is a personal thing and all the ornamentals are beautiful. And most are subtly fragrant.

MARIN POLITICAL VIEWS

Attempts To Smear Sen. Kuchel Might Boomerang And Help Him

By WAT TAKESHITA

PUBLIC OFFICIALS have been considered fair game for criticism and sometimes abuse.

But the latest innuendos about Sen. Thomas H. Kuchel are among the nastiest.

Too often, the victims of character assassination cannot effectively refute the charges because the source of the accusation cannot be pinpointed, or the time and cost of refutation make the effort worthless.

TAKESHITA

But fortunately in the case of Senator Kuchel, the allegations were specific enough, and the case is heading for the courts.

Those who circulated the statements against the senator were out to kill his political future. The charges, if true, are serious enough to do just that.

BUT THE consensus around here and in Sacramento seems to be that it may boomerang, and Senator Kuchel may emerge stronger than ever.

If the trial proves the allegations to be a frame-up, then the public will be made aware of the extent to which some extremists will go in trying to cut down their political enemies.

Then a "martyred" Senator Kuchel could turn out to be a tough man to beat in any political post which he might seek in 1966.

SUPERVISOR Chairman Peter H. Behr has inadvertently picked up a strong following among inmates of San Quentin.

Behr is chairman of the Academic Advisory Committee for Bayview Schools, which provide education to inmates. Inmate representatives sit in on the meetings of the committee.

At the last meeting, Behr suggested several ways to cut bureaucracy and red tape and get to the meat of the matter.

THE INMATES' admiration grew. At the end of the meeting, one of them came up to shake Behr's hand and pay him what amounts to the highest compliment in prison lingo.

"Mr. Behr," marveled the inmate. "I'm sorry you turned out the way you did. If you had been one of us, you would have been the outstanding con man among us."

Alas, they can't vote at San Quentin. Besides, it's outside Behr's district.

MINORITY LEADER Gerald Ford of Michigan and Republican Whip Melvin Laird of Wisconsin will be in San Francisco around March 5. There's a chance they might be coming in to Marin.

The latest sticker emanating from the 26 Million Club out of Larkspur: "Now Don't You Wish You'd Voted For Barry?"

YOU'LL BE hearing a lot about Marin Democrats at the California Democratic Council convention in Sacramento on March 19-21.

Former Marinite Gerald Hill is running for president of CDC, and hard-working Hans Schiller of Mill Valley is resigning as first district director to run for state vice presidency.

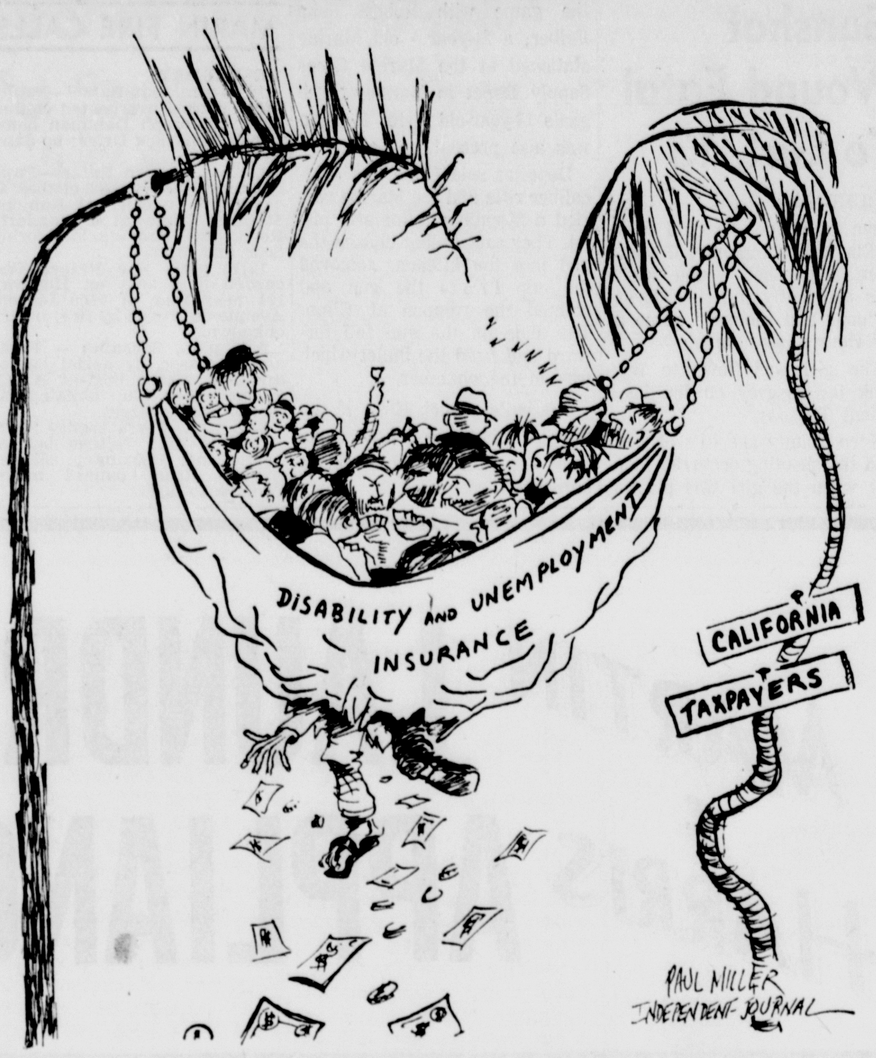

Nancy Swadesh is now statewide chairman of the Americans for Democratic Action, and Muriel Appenzeller is state treasurer.

WHAT OUR READERS SAY

Bagley May Offer Answer To Unruh

Editor, Independent-Journal:

Jesse Unruh's AB 145 requiring unification of all school districts is a bad law, hastily thrown together and rushed through the legislature in its closing hours last May after the failure of his previous education bill AB 46.

This law is crudely coercive, providing as it does that districts which vote for a state-approved unification plan shall be rewarded with an additional $15 per child per year in state money, while those which vote it down shall be similarly penalized. State money? These are your own taxes being offered you as a bribe!

Are we donkeys, to be herded to our master's goal by the carrot and stick? Are we about to sell our votes against our better judgment, for a few cents a day? I think not.

Surely Marin parents and taxpayers will consider carefully and vote for or against big unification on its own merits. Meanwhile, back at the legislature, Assemblyman Bagley is working on a bill which will remove some of the objectionable features from Unruh's AB 145. The Bagley Bill may well gain the support to pass; 21 of the last 23 California districts to vote on school unification **rejected** compulsory "Unruhfication."

Extinct Emblem In Store For U.S.

Editor, Independent-Journal:

There are many of us who simply do not believe the Marin rancher's high-colored version of his losses but even if we did, the wings of an eagle slanting into the west means more than seven sheep.

King Solomon, wisest of men, concluded that among the many things too wonderful to understand was "the way of an eagle in the air." No bird or other wild creature is either "good" or "bad," but simply lives its life according to its attributes and the rules laid down for its kind by its Creator.

Man, in fact, is one of the few predators in the world so efficient that he sometimes completely eliminates the species on which he preys.

If the present trend continues, the United States may before long face the prospect of being represented by an extinct emblem. It is ironic indeed to deny freedom to the symbol of freedom.

How oppressive it would be if we ended up with nothing but people, sheep and an eroded, grazed-bare earth surrounded by concrete jungles and Marincellos.

Smog Control Still Needs Public Work

Editor, Independent-Journal:

We read with appreciation and pride the editorial concerning our work in Tuesday's I-J (Feb.9). Considerable, time, effort and expense has been involved in this battle, with seemingly little more than passing interest and support from those who stand to profit from our work—the public.

We do feel, however, we have accomplished something, and hope to accomplish much more before the current legislative session is adjourned....

Your paper has done a service to the people of Marin and California, by **completely** reporting the issues involved in this matter, on both sides. It is not enough for any public information media just to state the government's position in a matter of controversy, but this has occurred in practically all papers in the State, except yours. For this, we are grateful, and feel you deserve one of your "BOUQUETS."

May we also take this opportunity to stress again to your readers that our battle is not won, we have not accomplished long-lasting relief from the inequitous auto smog control laws? We still must urge Californians to write their legislators, demanding repeal of laws placing devices on vehicles not so equipped at the factory. Also, letters to the Marin County Board of Supervisors, requesting them to demand the Bay Area Air Pollution Control District to drop such requirements in the District, will bring relief to our area in this matter.

Trustees Praised On Speech Policy

Editor, Independent-Journal:

I was happy to note that the Tamalpais Union High School District Board was not swayed by the kind of reasoning expressed by letter-writers W. G. Woodward, Charles C. Whitaker, and others who protested allowing a forum to a communist speaker. In affirming their policy of letting controversial issues be debated openly in the district's schools, the trustees affirm also their faith in the intelligence of the students and in the quality of the teaching they have received in these schools.

The fear expressed by these people that our high school students are so easily swayed that one speech could win them over is insulting to the students. (If their minds are this "tender," we scarcely dare show them the daily papers!) It would also seem to cast doubts that these people have any faith in the traditional American political system, if they believe it to be so vulnerable to the "semantic trickery" of an avowed communist.

In prewar Germany as in the United States, the right-wing fascist element has always found it convenient to mask its own designs by proclaiming itself anti-communist. In West Germany now, a revived Nazi party flourishes in seven states. Here, under cover of superpatriotism, the American radical right villifies the Supreme Court, chokes off debate and open reading wherever it can, and advocates abandonment of the very rules of law under which it has grown. Are these the people who think **communism** is such a menace?

Despair May Become Deciding Factor For U.S. In Viet Nam

WASHINGTON (AP) — A new element — despair — may become the deciding factor for the United States in Viet Nam, a country beginning to look like a comic opera.

It has cost the United States hundreds of lives and billions of dollars to back South Viet Nam in the war against the Communist guerrillas ever since 1955 when the government there asked for help.

BUT THAT government, headed by President Ngo Dinh Diem, is gone and in the 16 months since he was assassinated there have been at least eight new governments.

They actually change hands over night, as they did in the past few days. Old leaders get bounced, new leaders take over. The new leaders become the old leaders, and they get bounced.

The changes haven't come from the people but from the ambitious generals whom Mike Mansfield of Montana, the Senate's Democratic leader, calls the "jealous generals."

MEANWHILE, there's supposed to be a war going on against the guerrillas and the United States is standing by with men, guns and planes, waiting to get on with it.

While it waits, the United States can't duck the basic question: How can it get on with the war if the Vietnamese leaders are more taken with shoving one another around than shoving the guerrillas around?

The war has been going from bad to worse, steadily, and here there is divided opinion on what to do: Step up the war against the Reds, don't step it up but just go on helping the South Vietnamese, or get out.

UNLESS THE Vietnamese begin showing an earnest interest in preventing a Communist take-over, the reaction in this country almost inevitably will be despair that the Vietnamese can be helped or are worth helping.

In getting into this fight the United States has given a couple of reasons, one idealistic—to help the Vietnamese preserve their independence, and the other realistic—to prevent communism from taking over all Southeast Asia.

President Dwight D. Eisenhower once explained that the farther communism advances, the more the United States would have to pull its defenses back toward the American shores.

BUT THE idealistic reason will be rendered ridiculous if the Vietnamese show themselves incapable of orderly government and more concerned with factional disputes than saving themselves from communism.

And the realistic reason — using American forces to fight the guerrillas in Viet Nam — will look more and more like colonialism and aggression if the South Vietnamese themselves are indifferent about the Reds.

The more the chaos in South Viet Nam, therefore, the harder for the United States to justify before the world its continued presence in Viet Nam.

MANSFIELD SAID, "The jealous generals of Saigon should realize that the hour is very late.

"The United States is committed to aid the people of Viet Nam. It is not committed to continued subsidy of intramilitary struggles for power and prestige with American lives and resources."

There is a view that the United States should step up the war against the Reds, if necessary, to show them this country won't yield and, when this has been done, work out a settlement with them.

But even if the United States tried that it could not escape this bitter thought if there is no stability in South Viet Nam:

If a settlement is worked out with the Reds it can only mean an eventual Communist take-over if South Viet Nam disintegrates further and no real government is possible there.

INSIDE WASHINGTON

Immigration Quotas Are Called Myths

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — Rep. Michael A. Feighan, D-Ohio, chairman of the House Subcommittee on Immigration, is tossing a political bombshell into the Johnson administration's plans to steamroller a new immigration bill through Congress.

He has forced the White House to hoist a "go slow" flag by producing facts and figures showing that the national origins quota system, with its country-by-country limitation on persons entering the U.S., has not been a major bar to incoming immigrants, as loudly claimed by its opponents.

IN A CAREFULLY documented report sent to President Lyndon B. Johnson, the veteran Ohio legislator reveals that during the past 10 years 2,722,601 immigrants, an average of nearly 273,000 a year, have been admitted to the U.S. despite a national origins quota ceiling of only 158,361 annually.

Titled "Some New Insights on Immigration," the Feighan report denounces the quota system as a myth, charging:

"The official records show that non-quota immigration has been out-running quota immigration by approximately two to one. During the 10-year period from 1955 to 1965, non-quota immigration visas have totaled 948,334.

"It is these new non-quota visas, granted by the State and Justice departments, which reduce the national origins quota system to a 'myth.'"

IN SUPPORTING his charge that the national origins quota system is a flop, Feighan compiled some startling nation-by-nation figures from secret Immigration Service files:

"Italy has an annual quota ceiling of 5,666 fixed by law. Yet the average number of immigrant visas issued to natives of Italy has run 15,686 per year for the past 10 years. There is a noticeable difference between the theory of 5,666 and the actual 15,686 immigrant visas per year.

"Portugal, with an annual quota of 438, has received an average of 2,738 immigrant visas per year since 1955 despite the lower ceiling.

"GREECE HAS an anuual quota of 308 fixed by law. But the number of immigrant visas issued to natives of Greece averaged 2,666 per year for the past 10 years.

"Spain received an annual quota of 260 by law. But the number of immigrants permitted to come to the U.S. averaged 1,264 annually since 1955.

"The Philippines has an annual quota ceiling of 100. The number of immigrant visas issued to natives of that country averaged 2,281 per year for the past 10 years."

Under Feighan's formula, once a world-wide ceiling was determined by a consensus of Congress, a system of priorities would be established providing for:

1. Reuniting separated families of citizens and permanent resident aliens.

2. Admitting persons with special skills and talents for which there is a demonstrated need, and who would contribute to our national economy.

3. Offering a haven to victims of religious and political persecution and catastrophes.

Market Closes Higher During Active Trading

NEW YORK (AP) — The stock market closed higher today in active trading.

The Dow Jones industrial average once more crossed into the area above 900.

Blue chips boosted the averages. Du Pont gained 4, General Motors and Woolworth more than a point each.

Texaco lost a point while Douglas Aircraft held a gain exceeding a point.

U.S. Smelting rose more than 2 and Control Data nearly 2.

Here was the picture near the close:

Strength in selected blue chips bolstered the averages despite profit taking on a six-day advance of the industrials.

Du Pont gained about 2. Up a point or better were General Motors, Woolworth and Eastman Kodak. Anaconda was ahead about a point in further response to a dividend hike.

Radio Corp. looked like a volume leader as it rose a fraction following news that profits last year exceeded estimates.

The top steelmakers took fractional losses. GM was the only gainer among the leading auto stocks.

U.S. Smelting recovered more than 3. IBM was up nearly 2.

Douglas Aircraft, up more than a point, was given an $84 million plane order from Eastern Air Lines. Eastern added a fraction.

Tidewater gained about 2 on a report of negotiations for the sale of its western properties. Pepsi-Cola lost 2 and Frito-Lay more than a point.

On the American Stock Exchange, prices were generally higher and trading was heavy.

Corporate and U.S. government bonds showed little change.

Blue Rock Dinery Files Bankruptcy

Doors of the Blue Rock Inn Restaurant in Larkspur were closed yesterday, and a voluntary petition of bankruptcy was filed in U. S. District Court in San Francisco.

The petition, filed by Blue Rock Restaurant Inc. and signed by Mrs. Frances M. Rees, one of the principal stockholders, listed 85 creditors.

The firm holds a lease on the restaurant in the 1885 building at 505 Magnolia Avenues. It does not own any real property there.

The building, owned by Albert Nisson of San Francisco, is no way involved in yesterday's filing.

Federal Judge Alfonso J. Zirpoli set March 26 for Mrs. Rees to file a statement of financial condition.

Northgate Wells Fargo Bank Sets Open House Tomorrow

Wells Fargo Bank will celebrate the opening of its new Northgate office at 600 Las Gallinas Avenue, San Rafael, with an open house tomorrow.

Ribbon cutting ceremonies at 10 a.m. will be attended by Mayor John F. McInnis, other city and county officials and Northgate business leaders. The Wells Fargo stagecoach "Ben Holladay" will pick up dignitaries from the temporary A-frame building nearby which formerly housed the office, loop through the shopping center, and deliver them to the new building. There they will be greeted by bank manager James C. Gain and assistant manager Edward J. Morris.

The coach will remain in the area until 4 p.m. to give rides to visitors. Members of the bank's staff will be on hand throughout the day to show off the new quarters.

The bank, designed by Welton Becket and Associates and built by Zoellner Construction Co. of Ross, is of steel and concrete with exposed aggregate, on a 240-by-228-foot lot. Extensive use has been made of glass in aluminum frames, giving a light, open look.

The main lobby contains 13 teller stations. A safe deposit department has a conference room, coupon booths and stand-up counters. Other features include drive-up window, walk-up window and night depository.

Before his assignment as manager of the Northgate office, James Cain was assistant manager in Martinez. He joined the bank almost 26 years ago. He and his wife and two children live at 19 Cermenho Court, San Rafael.

Edward Morris worked at the San Rafael main office and in San Francisco before becoming assistant manager at Northgate. For him, tomorrow will be the occasion of another celebration —his marriage to Toni Hathaway of San Rafael. He and his bride will make their home at 1052-E Los Gamos Road, San Rafael.

Eastern also said that to get DC9's into service faster, it has signed an arrangement with Douglas to lease 15 of the regular twin-engine jets between March of 1966 and the following September. Another 11 will be leased between September and early 1967 at which time Eastern expects to take delivery of its own planes.

Seals Charge Bucks: Dirty Play

SAN FRANCISCO (AP) — Coach Hal Laycoe of the Portland Buckaroos has denied charges that he sent in Con Madigan to "rough up" the San Francisco Seals in their last game with Portland.

Seals coach Bud Poile yesterday accused Laycoe of sending in Madigan "to work our guys over, knowing full well another major injury would just about kill our chances of making the playoffs."

San Francisco won the game Wednesday, 7-4.

But the Seals are in fifth place in the Western Hockey League, one point out of fourth. The top four teams qualify for the playoffs and Portland leads the league.

"That Laycoe will do anything to keep us out of the playoffs," Poile charged. San Francisco is defending league champion.

Poile said Madigan roughed up San Francisco's Tom Thurlby, Nick Mickoski and George Swarbrick.

"I'm very disappointed Mr. Poile would make such a statement," Laycoe replied. "It's almost too foolish to comment on at all."

Poile said he will ask WHL president Al Leader to watch Saturday's game with Portland at the Cow Palace here.

"I'm not running scared," Poile said. "Some of our guys can dish it out too, but I want to try to avoid any more injuries until we can get back to full strength."

Charlie Burns, Seals high scorer, still has a cast on his knee but Gary Dornhoefer is expected to be back next week.

As for Wednesday's game, Laycoe said the only injury was Dick Van Impe, on Portland's side. "Hockey is too big for statements like Poile's," Laycoe said. "I make no further comment on it."

Giants Surprise In Marin League

Marin Catholic Ace Ahead In Scoring Race

The curtain comes down tonight on the Marin Athletic League basketball season that proved to be a surprise as far as championship races are concerned.

It turned out to be no race.

Redwood High locked up the championship with two games still left on the schedule. The Giants are four full games ahead of the second place team. Redwood has a 10-1 record, and San Rafael and Drake are each 6-5.

Prior to the start of the league slate, the MAL coaches predicted it to be a "close race," and Redwood was not among the teams predicted to grab the title. Listening to the coaches, the chase was going to go down to the wire, with three or four teams battling for the top spot. So more predictions go down the drain.

In tonight's final games, Marin Catholic is at Redwood, Tamalpais is at Drake, and Terra Linda is at San Rafael. All three varsity games will follow the Class B contests which are scheduled to start at 7 p.m. (The Marin Catholic vs. Redwood game was scheduled as a day contest, but changed to a night game after protests from students and parents from Redwood.)

Marin Catholic's Tom Soden appears to have the individual scoring honors wrapped up. The Wildcats' forward has scored 177 points in 11 league games for a 16.1 average. Next are Larry Gray of Tam (164), Tom Bly of Redwood (154), and Ken Erdman of San Rafael (153).

Redwood is the top team in offensive statistics, averaging 56.8 points per game, while San Rafael tops the defensive figures with a 47.3 average allowance per game.

Still Hopeful Tars Play Two Weekend Games

College of Marin's basketballers, resting in an unfamiliar place in the Golden Valley Conference standings, take to the road for a pair of games this weekend.

Marin, now trailing Santa Rosa in GVC standings, tackles Siskiyous College tonight in Weed, and then travels to Redding to play Shasta Junior College tomorrow night. Both games start at 8 o'clock.

Santa Rosa stung Marin last Friday in Kentfield, 95-73, and then the Tars fell the next night to Sierra, 99-84. After that disastrous weekend, the Tars found themselves in second place in the GVC with a 7-2 mark. Santa Rosa is 8-1. Each team has three games left, so Marin remains hopeful.

The Mariners drubbed Siskiyous 94-62 in their first meeting this year. That club is tied for fourth place with a 4-5 mark. Also with a 4-5 conference record is Shasta. Marin beat the Knights 107-98 in their first meeting.

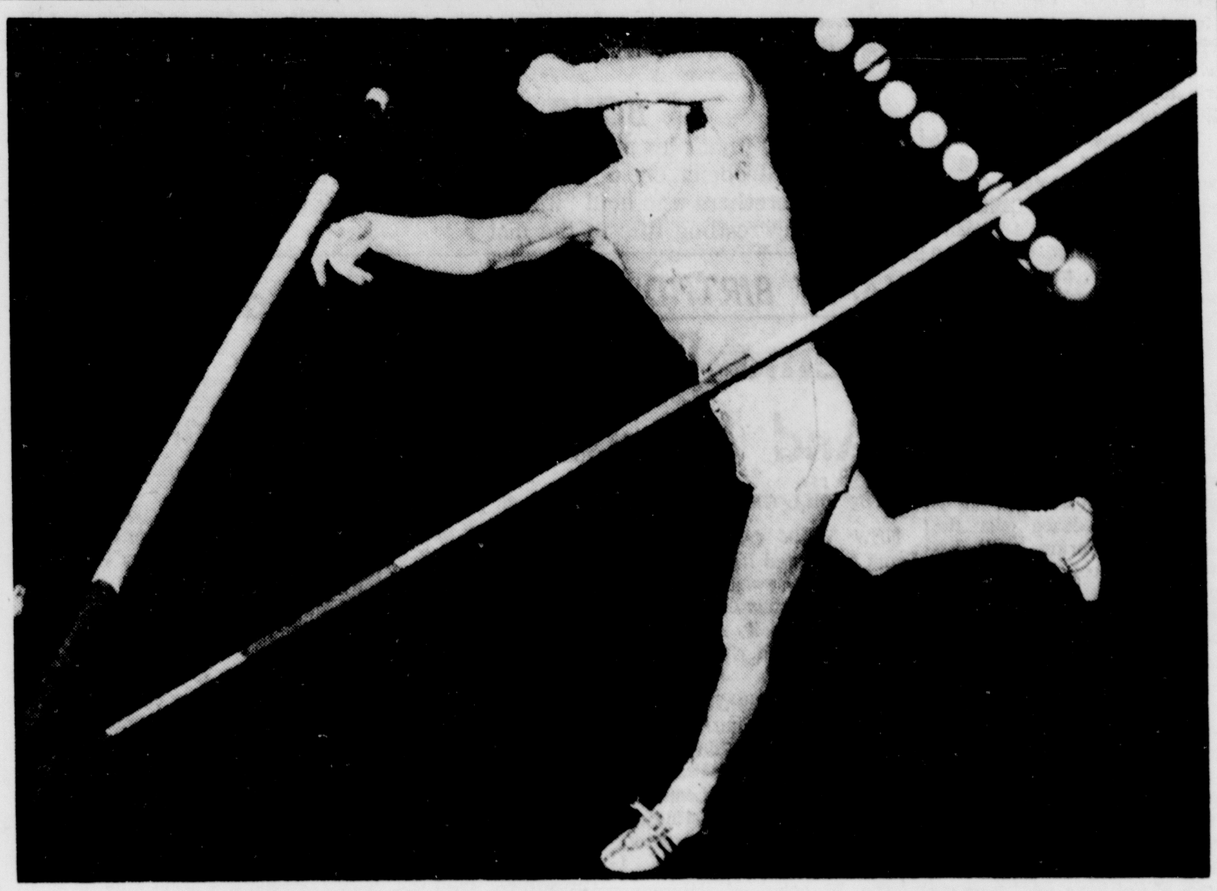

Marin has scored more points than any other team in the loop, a total of 837 in 9 games for a 93.0 average. Big gun for Marin's offense is guard Jay Johnson who has scored 180 points for an even 20-point average per game. He's second among the conference scorers, trailing Santa Rosa's Tom Stewart who has 244 points and a 27.1 average.

Fred Arnold, Marin 6-7 forward, is No. 6 in the scoring race with a 12.3 average. The other half of Marin's height, center Jim Halm (also 6-7) is No. 11 in scoring with a 11.1 average.

Marin's opponent tonight is led by Gene Landoe who has a 14.3 average. Other big scorers for Siskiyous are Bob Corson, 11.6, and Bill Ruchi, 10.8.

Golden Valley Conference standings:

	W	L	PF	PA
Santa Rosa	8	1	795	622
Marin	7	2	837	690
Sierra	4	4	585	573
Siskiyous	4	5	585	605

International Flavor For Golden Gate Track Circus

By JACK STEVENSON

SAN FRANCISCO (AP) — America's track and field stars face international challenges tonight in the fourth annual Golden Gate International meet focusing on Australian distance star Ron Clarke and the Russian team.

Clarke, the 28-year-old accountant who holds five world marks, seeks another in the two-mile run and also a measure of revenge against U.S. Marine Billy Mills who beat him at 10,000 meters in the Olympics.

"I thought I'd like to take a step at the indoor two-mile," Clarke answered when asked about his 13,000-mile round trip journey to the United States for just two races.

Saturday night he competes in the Mason-Dixon Games at Louisville. He returns home on Sunday.

Jim Beatty set the two-mile mark at 8 minutes 30.8 seconds two years ago and Clarke feels he can break it in the Cow Palace run.

He'd also like to beat Mills who upset him at Tokyo.

"Beatty's record isn't out of sight by any means," the Aussie commented. "It all depends on how the race is run. It's pretty hard to set a pace for Mills and George Young. They are too good to be pulled along. Still, I think I can kick with anyone."

Russia will have five men and a woman in the competition with the toughest duel expected in the broad jump where Igor Ter-Ovanesyan faces Ralph Boston.

The Russian holds the indoor record at 26 feet 10; Boston has an outdoor world record pending of 27-4¼. Last week at the AAU indoor championships in New York, both had leaps of 26-2¼ and it took a second best jump to decide the winner. Ter-Ovanesyan won it with 26-1 while Boston had 26-¼.

Valery Brumel, the Olympic champion and world record holder both indoors and outdoors, tries again to better 7-4, his indoor mark. Outdoors he has cleared 7-5¾.

Tamara Press, Olympic winner in both women's shot and discus, won't have any strong competition in the indoor shot event.

The Russians also have Gennady Blitznetsov in the pole vault, Anatoly Mikhailov in the hurdles and Valery Bulishev in the 880.

Most of the AAU winner will compete in the San Francisco event. But Boston decided to skip the hurdles event, which he won, to concentrate on trying to beat his long-time Russian rival in the broad jump.

Harrelson, a first baseman, predicted at the tournament start that he would win the trophy. He finished the first round yesterday with a two-over-par 73.

Alvin Dark, Chicago Cub coach and four-time winner of the tournament, was second with a 79. Bob Shaw of San Francisco and Dick Stuart of Philadelphia were tied for third at 80.

Last year's winner, Albie Pearson of the Los Angeles Angels, was fifth with an 81.

SPRING TRAINING NOTES

Ex-Teammates Ford, Turley Tackle Similar Problems

By MURRAY CHASS
Associated Press Sports Writer

Whitey Ford and Bob Turley pitched together with the New York Yankees for eight years. During that time they each won the Cy Young award as the best pitcher in the major leagues.

Now, playing in different leagues, they again find themselves in similar circumstances. This time, though, they aren't winning pennants and world championships, and they aren't earning awards.

Ford is trying to prove his valuable left arm is sound while Turley attempts a comeback — after a year's absence — with the Houston Astros.

The 36-year-old Ford developed a vascular problem that created arm trouble in the final month last season. He underwent surgery to correct the difficulty during the off-season and now faces a test in spring training.

He threw lightly for six minutes in the Yankees' first drill yesterday, then said:

"My arm feels all right, but this was just loosening up. I'll be able to tell more after I pitch to hitters. I'll threw harder each day, but I might skip a day. I believe I'll be able to throw regular pitches hard after a week or so."

Turley, whose 21-7 record in 1958 earned him the Cy Young honor, indicated yesterday he is pleased with his comeback efforts to date. The 34-year-old right-hander has no contract with Houston but has been working out with the Astros since Feb. 15.

"I'm really happy because I'd rather be with Paul Richards (Houston general manager) than anyone I know because he has done so much for veteran pitchers," said Turley, who coached with the Boston Red Sox in 1964.

"The first time he saw me this spring, he came up after three pitches and told me I was stopping my motion when I reared back. That's something I have been doing wrong the past three years. Nobody else spotted it, and it's difficult to correct your own faults."

Another sore-armed pitcher, Ernie Broglio of the Chicago Cubs, also tested his arm yesterday and said, "I threw every pitch I have, and my elbow didn't hurt a bit."

At the Kansas City camp, first baseman Jim Gentile was told a recently sprained left ankle will prevent him from working out for at least another week.

And from the Pittsburgh Pirates came word that right fielder Roberto Clemente, the 1964 National League batting champion, was home in Puerto Rico with the flu.

GIANT HURLER BOLIN HURT IN ACCIDENT

MONROE, La. (AP) — Bob Bolin, 26, of York, S.C., a pitcher for the San Francisco Giants, received a knee injury in a two-car collision here last night.

Bolin was en route to a spring training camp in Phoenix, Ariz., when the accident occurred. He was hospitalized for observation and X rays.

His wife, their 7-month-old child, and his mother and father also were in the car with him, but they were not injured.

Police said the driver of the other car, a teen-ager, would be charged with driving without a license and running a stop sign.

ALONG MARIN'S SPORTS TRAIL

By JIM GILMARTIN

In An Emotional Profession, Tar Coach Is 'Mr. Refrigerator'

For a guy who hasn't had much practice at it, College of Marin's Cal Riemcke is a helluva good loser. I'm not saying he'll smile if you kick him in the backside, but as basketball coaches go he's a gentleman right to the end.

In a profession that thinks composure is a song writer and where emotions run as wild as those at an Italian reunion, Riemcke rates an "A" for deportment.

CAL RIEMCKE

I compare him with other men of his profession and wonder about his tranquility.

Remember Pete Newell at Cal. He used to chew towels during a game. No seasoning. No fancy chenille. Not even marked "His." Just plain old locker room towels.

Then there was Phil Woolpert. He suffered so much every season they started a course in ulcer-ology at USF.

They say Red Auerbach of the Boston Celtics gets pretty excited, too. Like lighting up his nose and blowing his cigar while screaming at a referee. Ruins more hankies that way, not to mention the blood pressure.

THUS IT is refreshing to watch Cool Cal Riemcke operate. During the heat of battle he sits through it all as nonchalantly as a guy waiting for the bus to Tocaloma.

Last Friday night, for example, Cal had every right to emulate Sarah Bernhardt's last act from Camille. He was the victim of one of the greatest tragedies in College of Marin history. His magnificent Tars had the state's best winning streak (18 games) and record (20-2) shot right out from under them by the hated Bear Cubs of Santa Rosa. As tragedies go, this was comparable to Dean Martin losing a chug-a-lug contest to Dorothy Kilgallen.

Moreover, the loss knocked the Tars out of first place in the title race, set them up for a second straight loss the following night to the lumber jacks of Sierra and just plain ruined a beautiful season.

OH, THERE'S still hope for the Tars, but don't wager your last nickle on it. Their backs are to the wall. Time is running out.

After the Santa Rosa game, an upset that would drive other coaches ding-bat, Cool Cal maintained the deadest pan since someone slipped novocain in Ed Sullivan's makeup. No tantrums. No tears. No chair throwing. Not even an "Oh darn!" Just a cool, cool Cal, answering questions of friends and reporters. No excuses. "We didn't play well, but Santa Rosa made us play poorly." For all his tranquility he could have been a foreign news analyst covering a Little League tiddly-winks game at Cazadero.

This is not to say Riemcke just didn't give a hoot. He does. And I know he died a thousand deaths while losing to Santa Rosa and a thousand more for the even more frustrating setback the next night.

I guess it's just his way to let the chips fall where they may, tomorrow is another day. (Burma Shave.)

AS I said, Cal has every right to take defeat pretty hard in his pressure packed business because he just ain't used to it. His career record of 234 wins and 143 defeats will attest to that. The record, by the way, includes six championships in his seven years at Marin.

His Tars still have a slim chance to make it seven out of eight, but if they don't make it, don't expect Riemcke to lead a march on the wailing wall.

But I know he'll die a little more behind that refrigerated makeup. And those of us who have grown to respect this outstanding coach will die a little with him.

Gun Bow Heads Field In Santa Anita 'Cap

By ORLO ROBERTSON
Associated Press Sports Writer

Gun Bow, away to a fast start in quest of Horse of the Year honors, seeks to break precedent tomorrow when he takes on seven rivals in the $145,000 Santa Anita Handicap—richest and most important race on the weekend card.

The 5-year-old son of Gun Shot has been assigned top weight of 131 pounds for the 1¼-mile race in which the winner is guranteed $100,000. No horse ever won the rich handicap carrying more than 130 pounds.

The Gedney Farms' syndicated colt, edged out of Horse of the Year title by Kelso in 1964, made his 1965 debut two weeks ago with a three-quarter-length decision over Candy Spots in the San Antonio Handicap. Candy Spots takes another crack tomorrow at Gun Bow under the same weight of 127 pounds. Gun Bow adds two pounds over the San Antonio.

The fast starting Gun Bow received one break. He drew the No. 1 post position. A year ago he carried 130 pounds, started from the extreme outside, and finished out of the money.

In addition to Candy Spots, Gun Bow's rivals will be the oft disappointing Hill Rise, 120; Duel, 113, surprise winner of the Strub Stakes earlier in the meeting; Argentine-bred Mangayte, 113, unbeaten in two starts in this country; French-bred Or Et Argent, 114, surprise third in last week's San Luis Rey Turf Handicap; Canadian-bred George Royal, 114, and Doc Jocoy, 113.

Too Bad Redwood Trees Have Such A High Value As Lumber

STEVENS

Thinking it over calmly, I'm not sure whether the fellow was in earnest or was trying to get a rise out of me. He was a stranger to me, a guest one of our group had brought along, but I sure rose to the bait. We had been talking about the movement to add a greater area to our redwood park, and this party asked what was so wonderful about the Coast Redwoods. He looked straight at me, and, as I said, I took up the challenge. Then he asked "What is so wonderful about these redwoods—they're only trees, aren't they?"

"SURE, THEY'RE only trees," I said, "only they are the oldest living plants, some are as tall as a 10-story building. Many of them are 1,000 years old, some are 2,000 years old. A tree was recently discovered in Redwood Creek near Eureka that towered 367.8 feet, the tallest living thing."

Unfortunately, these redwoods are highly valued for their wood. As a result, a great many of them were cut down (and still are being cut) and made into lumber. It does seem a shame that any living plant that has survived the ravages of time—storms and fire through lightning, and man's carelessness—for over 1,000 years should end its career in a saw mill, doesn't it?

STATISTICS ARE boring, it is said, but they are enlightening at times: before logging began more than 100 years ago, there were close to 2 million acres of virgin redwood forest. So far, approximately 49,000 acres of virgin redwood are within State Parks. Most of these park redwoods and other lands, totaling about 107 acres, have been preserved with funds contributed by private donors, matched by appropriations from the State of California. They were acquired at a cost of about $20 million, which at today's value would require about $250 million.

If the cutting industry holdings continue at the present rate, most privately owned virgin redwoods will be gone within the next 20 years. Almost all of it wil be gone in 30 years.

THE QUESTION commonly asked is: Aren't 49,000 acres of virgin redwoods in parks enough? The answer is an emphatic NO. The individual parks aren't large enough to be safe from flooding and other destructive influences. The Bull Creek flood of 1955 showed what can happen to an apparently protected area when upstream slopes are denuded by logging, fire, or grazing, and then exposed to heavy rains. Five hundred of the parks giant redwoods were destroyed as a result of severe flooding, undercutting of stream bands, and washing down of tons of debris.

One virgin redwood area of national significance needs park protection. This is the watershed of Redwood Creek and its tributary Lost Man Creek.

I QUOTE the following figures from a Sierra Club release: "Less than 1-100th of one per cent of U. S. commercial timber acreage, about one quarter of one per cent of California commercial timber acreage, and less than three quarters of one per cent of the commercial timber acreage in California's North Coastal Region—Del Norte, Humboldt, Lake Mendocino and Trinity Counties and the west half of Siskiyous County—" are being considered in plan 1 as proposed by the Sierra Club.

Think it over, talk it over, and if you wish more detailed information than is possible to put down here, drop a line to the Sierra Club, 1050 Mills Tower, San Francisco, and request a copy of their Fact Sheet No. 1, entitled "PERPETUATION OF PRIMEVAL REDWOODS."

Bruins In Bay Area; Eye Title

By THE ASSOCIATED PRESS

Should anyone tell you there's a hot race in the Pacific Athletic Conference basketball chase, forget it. The UCLA Bruins will win the title and they should do it this weekend.

Coach John Wooden's Bruins are 10-0 in the league, leading by three games with four to play and whoever drew up the regional television schedule last fall should be commended.

Saturday afternoon's UCLA game against California at Berkeley, being shown on television, could well be the one where the Bruins sew up their trip to Provo and the regional NCAA tournament.

The Bruins, national champions last year and seeking to repeat, play at Stanford, 6-4, tonight and then meet California.

Southern California's Trojans, at 7-3 the closest competition for the Bruins, tangle with the Bears at California tonight and then play at Stanford Saturday night.

In the other games tonight, Washington plays at Oregon and Washington State at Oregon State. The Northwest schools change foes for the Saturday night set with WSU at Oregon and Washington at OSU.

Taking precedence over the race is the scoring battle between Gail Goodrich of UCLA and Jim Jarvis of Oregon State. Goodrich had two 28-point efforts last week against Oregon State and Oregon to move ahead of Jarvis. The UCLA sharpshooter has a total of 224 for a 22.4 average and Jarvis 218 for 21.8 moving into the stretch drive.

John Block of USC holds the No. 3 spot with 209 and 20.9.

California and Stanford should prove solid tests for the invaders from Los Angeles. The Bears of Cal have won three of their last four games and have captured the decision the last three times they played in their Harmon gym.

UCLA, however, has won its last 11 games against California, including the last five in Harmon gym.

HAPPY BIRTHDAY

Lema Digs Palmer And August USGA

By WILL GRIMSLEY

NEW YORK (AP) — Tony Lema celebrated his 31st birthday with two swigs of champagne and as many digs at the August U.S. Golf Association and his keen golf rival, Arnold Palmer.

"I think the USGA made a mistake in cutting out the double round on the final day of the U.S. Open," the wise-cracking extrovert from San Leandro, Calif., told a small gathering of friends at a midtown hotel Thursday.

"The 36 holes on Saturday was the one feature that distinguished the Open from the other tournaments. The others now are as rich or richer. Some of them, like the Masters, are gaining great prestige. Now they're all played alike."

The USGA ended a long tradition by changing the format of the Open to a single round a day covering four days. Almost since its inception, like the British Open, it had previously called for two rounds on the final day.

Champagne Tony, winner of the British Open last year and one of the sports' brightest personalities, also had his stiletto sharpened for Palmer.

"Arnold says the pro tour should be reduced to 30 tournaments," Lema said. "If Palmer wants to play in just 30 tournaments, or just 15, that's his business.

"I myself plan to cut down my tournament schedule. But my opinion is that there should be more tournaments, not less—one every week. Give the other guys a chance."

Lema, who has run into an attack of nerves because of a two months' layoff from smoking and who says he can't putt a lick, announced that he planned to pace himself for the coming campaign.

"I'll play only one tournament—Greensboro April 1-4—before playing in the Masters, which is the next week," he said. "I'll play at Las Vegas, Colonial and New Orleans, skip Memphis and Indianapolis, then get busy with the big money tournaments."

He will defend his titles in the Thunderbird, Buick and Cleveland Opens, all $100,000-plus events, and also try to keep his British Open crown at Royal Birkdale in Southport, England, July 7-9.

While the flamboyant Champagne Tony lighted birthday cake candles, poured champagne and horsed around with close friends, someone suggested that he make a wish.

"Wish that Palmer won't play in the Masters," a wag suggested.

"It wouldn't be as much fun winning it," said Tony, pouring another glass of the sparkling stuff.

Dons Shoot For Title Tonight

By THE ASSOCIATED PRESS

Coach Pete Peletta's San Francisco Dons, already with a tie clinched for the West Coast Athletic Conference basketball title, should wrap up sole possession tonight or Saturday night.

With a 10-0 record in WCAC play, the Dons can win the title tonight with a triumph over second place University of the Pacific 6-4 tonight.

Ollie Johnson, who scored 26 Tuesday in a 90-68 triumph over Santa Clara, paces the well balanced USF attack and leads the league in scoring with 218 points and in field goal percentage with 55.9.

The battle for second place continues with UOP, Santa Clara, St. Mary's and San Jose State in contention and UC Santa Barbara given an outside chance for the runner-up spot.

Santa Clara, San Jose and St. Mary's all are 5-5 and UCSB 4-6.

Santa Clara plays St. Mary's tonight at Richmond. On Saturday night, St. Mary's faces USF at the Dons' gym, Santa Clara is at UOP, Pepperdine at San Jose and Loyola at UCSB.

A new WCAC record was established when Pacific's Keith Swagerty hit 15 of 18 field goal attempts for an 83.3 scoring percentage. That performance topped the single game record, for more than 15 attempts, of 75.0 set a year ago by Pacific's Bill Wilson. Despite Swagerty's performance, UOP lost.

Venturi Rejoins Tour Next Week

PALM SPRINGS, Calif. (AP) —Golfer Ken Venturi, sidelined for weeks by a circulatory ailment, will hit the tournament trail again next week with his physician's blessing.

The U.S. Open champion disclosed his plans yesterday.

"My game naturally is pretty rusty," he said, "but I am itching to play."

Venturi said he'll return to his home at Hillsborough, south of San Francisco, on Saturday and will head for Florida on Tuesday.

He'll rejoin the PGA tour in the Pensacola Open the following weekend.

Venturi's ailment has been particularly bothersome in his hands. It began developing during the Los Angeles Open the first week of January.

"At first the trouble was in both hands," he said, "but now it is only in the right hand—the middle and little finger. There is a big improvement."

Venturi has been recuperating in the desert sun under the watchful care of Dr. Robert M. Woods, team physician for the Los Angeles Dodgers.

Dr. Woods, who once treated pitching star Sandy Koufax for a similar ailment, said it may take some time for Venturi to get his rhythm back, adding:

"Clinically, I am very impressed with his progress. The circulation is not back 100 per cent but I feel confident that it will be. I don't see any reason why he can't resume play at Pensacola next week."

Venturi said he hit the ball on Wednesday for the first time since the Bing Crosby tournament's final round. He followed with a lengthy practice session yesterday afternoon.

"I hope to get a few tournaments under my belt," he said, "and—as I had planned all along—I hope to reach a peak in my game going into the Masters at Augusta in April."

ALMANAC

Today is Friday, Feb. 26, the 57th day of 1965 with 308 to follow.

The moon is approaching its new phase. The morning star is Mars. The evening stars are Mars and Jupiter.

William "Buffalo Bill" Cody, a man who personified the romance of the frontier west, was born on this day in 1846.

On this day in history:

In 1815, Napoleon Bonaparte, with a squadron of 1,200 men fled from the island of Elba to begin his second conquest of France.

In 1870, New York's first subway line was opened to the public.

In 1919, Congress established Grand Canyon National Park in Arizona.

In 1935, Germany started the operation of its air force which was to become the dreaded "Luftwaffe" of World War II.

A Thought for the Day — Russian author Dostoyevsky once said: "Tryanny is a habit capable of being developed, and at last becomes a disease; the man and the citizen disappear forever in the tryant."

TIME AND TIDE

Department of Commerce, United States Coast Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Light-face type indicates a.m. times; **bold-face type** indicates p.m. times.

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

Federal Help Needed After Partner's Bid

Most bridge players pay their taxes and go to the polls on Election Day, but they don't seem to get as much protection as other worthy citizens.

When your partner runs amuck there should be some way to get yourself declared a disaster area. Why else do we have a Federal government?

Opening lead — ♠ 8

North had a sound opening bid, and he never thereafter opened his mouth except for an occasional groan, but he had no way to controlling his partner and no way of getting help from Washington.

PUT IN SOUP

South put himself in the soup when he made his first free bid of two diamonds, but the opponents ladled him out by proceeding with the bidding. South got himself right back among the vegetables, and what happened then was exactly what South had asked for.

West opened his top spade, and East took two tricks and led a third spade for West to ruff. West returned the king of hearts, and East ruffed dummy's ace.

East led another spade, and West ruffed as South discarded a heart. West then cashed the queen and jack of hearts, after which East still had to get a trump trick. The penalty was 1,100 points.

SHOULD PASS

When East bids two spades, South should pass. He has told his story, and all further moves are up to North.

If North is bold he will double two spades, sensing the misfit; but even if North passes two spades the contract will be badly damaged.

The defenders can take their high clubs and high diamonds and can ruff several times.

BEST DEFENSE

The best defense will take the first eight tricks, defeating East by a three-trick margin.

North-South could thus be plus 800 or 300. Even the smaller figure would be much better than losing 1,100 points.

It happens only at the bridge table, of course, but we wouldn't need help from Washington if we had enough self-control to stay out of trouble.

DAILY QUESTION

As dealer, you hold:
♠ A K 7 6 2
♥ None
♦ Q 10 4 3
♣ J 10 5 4

What do you say?

Answer: Pass.

The hand is almost, but not quite, worth an opening bid. With only 10 points in high cards you need more extreme distribution for an opening bid.

When a Family Buys A Home in Central Marin . . . Where Do They Come From?

Latest Research* shows that 69.7% of home buyers in Central Marin are ALREADY LIVING in the County.

This is a ratio of MORE THAN 3½ to 1 than from San Francisco.

BUYER ORIGIN	%
Marin County	69.7
San Francisco	19.6

- The Prime Market then, for home sales, is Marin itself . . . and the I-J Classified "gets home" to the people who buy the MOST HOMES in Marin . . . Marin families themselves because the I-J covers 2 out of 3 homes in the County.
- The I-J daily circulation in Marin County is GREATER than that of the San Francisco Chronicle and the Examiner COMBINED!!
- NO WASTE — NO HIGH-PRICED SPACE GOING TO NON-PRODUCTIVE AREAS.

DEXTER RAMBLERLAND

CHIEF COWPOKE GEORGE DEXTER SEZ:

"We knew it could be done! Last weekend we threw the gates open and our old corral was really buzzing. Our Burro had the company of a Honda, an old washing machine, and a slightly used bearskin rug. We'll take ANYTHING in trade (no in-laws please)"

FOR EXAMPLE:

'65 Mustang 2-Dr. Hardtop
4,000 Miles, $2350
After 1 week of fighting with our burro, this little number has got to go!

'64 Cadillac Cpe . . The Works
For the prestige rancher.

'61 Rambler Amer. Conv Loaded
Easy to park and won't take up much room in the barn.

'63 Ramblr Ambass Wag Fact air
Not to be confused with our 1933 horse trailer.

'65 Rambler Demos Fully equip't
Low mileage and lots of new car warranty yet.

'63 Renault Caravelle h.t. 4-spd
Rather cute . . . Frenchmen will love this one.

'59 Ford Wagon . . . Loaded
The only thing this needs is a home.

'63 Chevrolet Wagon . . Power
Factory air cond. Real clean . . . almost too nice for the ranch.

150 OTHER REAL SHARP CARS TO CHOOSE FROM

The boys here on the ranch have sharp prices and sharp pencils. Why don't you drop in this weekend and see for yourself? You'll be glad you did!

TELEVISION REVIEW

How Tom Poston Became A Success

By RICK DU BROW

HOLLYWOOD (UPI)—All the world loves a success story, and so today I offer a success story. I will relate how I assured Tom Poston of success.

Tom, as you know, is one of the very best comedy actors around, and was quite a hit on Steve Allen's old network television program along with Don Knotts, and has been on countless video panel shows. But for each man of success, there has been one fateful turn in the road, to coin a phrase.

The long chain of events that eventually led to Tom's success began, unbeknownst to him, when, in my senior year at Northwestern University in Evanston, Ill., I decided I needed some more pocket money. Show business was in my blood, to coin another phrase, and so after classes one day I walked over to the Showcase Theater, a local presenter of plays, and asked for a job as a salesman at the refreshment counter.

"That job is taken, but how would you like to be an actor?" a gentleman connected with the theater asked me.

I was suddenly dizzy with joy. I had read of such things happening—but now, to me . . I immediately emblazoned the words on my memory so that in the years to come, when a movie studio would prepare my biography, I would remember the exact moment that had led to my stardom.

"We need another Brazilian sailor," the gentleman continued. "You will say a few words in Portugese."

It turned out that the Showcase Theater was planning to put on "My Sister Eileen," starring Patsy Kelly as the older sister who, in one scene, winds up doing a wild conga with some Brazilian sailors. One of the roles in the play is that of a rather unscrupulous reporter, and the actor who had the part was Tom Poston.

Patsy, of course, was the star, and carried on courageously and brilliantly even though she told me she was appalled that Evanston was a dry town. But Tom was pretty hot stuff around Chicago at that time too. His reputation was building.

He was very friendly to me. I would say, "hello, Tom," and he would look at me as though he faintly recognized me from somewhere. After a while he looked at me as though he recognized me less faintly. And then one day he said, "hello there, Paul." We were friends.

After that, he would occasionally give me instructions about how to put on the dark makeup for my role. After the opening night, when the critics didn't have the discernment to note the promise that my line in Portugese showed, he was a pal and gave me confidence. To this day, it is painful for me to give an actor a bad review.

Anyway, when the show ended its brief run, I asked Tom if he would be interested in looking at some comedy material I had written. He said sure. He looked. We both decided he had something else in mind. Suddenly I was graduated and went into the Army, and Tom and I went our separate ways, and he never did use any of my material.

And that is how he became a success.

Parking Lot 'A' On Hub Agenda

Implementation of parking lot "A" and discussion of slope policy are first and second, respectively, on the list of "matters for consideration" at the San Anselmo Planning Commission at 8 p.m. Monday in the City Hall.

The planners first deal with regular business before getting to the list of "matters for consideration." Slope policy and parking lot "A" have been on the list for several weeks.

In regular business the commission will deal with subdivision maps submitted by Frank Cherne and Beneficial Savings and Loan Co.

Mayor Again Complains Of Long Reports

John F. McInnis, mayor of San Rafael and member of the San Rafael Sanitation District board, yesterday reiterated his claim that the district has lost local control through assigning bookkeeping to the Marin County data processing center.

County Auditor - Controller Michael Mitchell attended yesterday's meeting of the district board to explain how reports are made by the center's machines.

At a previous meeting of the board, McInnis complained that monthly reports come now in 18 pages where there used to be only one page. Mitchell explained how the 18-page compilation can easily be reduced to one by the district secretary.

Mitchell said the district has not lost any control, but concluded that McInnis "does not like data processing."

MARIN FILM FARE

'Father Goose' Opening; 'Those Calloways' Due

By LES DARD

Here's the current and coming film fare at Marin area theaters for this weekend:

RAFAEL THEATER

Cary Grant is the central character in "Father Goose," an engaging comedy opening Sunday. Leslie Caron and Trevor Howard share the spotlight.

Grant is a beach bum, reluctantly serving as a plane spotter for the Allies on a South Pacific island.

Set-up on his lonely island, Cary gets company quickly with the arrival of Leslie Caron and seven little girls, all refugees of the Japanese. Whether he likes it or not, he's Father Goose.

The children—ages six to 15—are all charmers.

ROMANTIC ADVENTURE — Cary Grant prepares to show Leslie Caron the art of catching fish barehanded near their South Pacific island in the romantic adventure comedy, "Father Goose," opening Sunday at the Rafael Theater.

NOVATO AND SEQUOIA THEATERS

"Those Calloways" starts Sunday.

Brian Keith stars as the head of a backwoods Vermont family who dreams of one day converting a nearby swamp into a refuge for migrating geese.

Conflict is supplied when a sharp promoter shows up with the idea of turning the marsh into a hunting resort.

Vera Miles is convincing as Keith's wife, and Brandon de Wilde plays his son.

101 DRIVE-IN

Yul Brynner dons chaps and guns for his starring role in "Invitation to a Gunfighter." It will run until tomorrow night.

Brynner plays a paid-for-killing gunslinger. He is called to a small New Mexico town to rid the community of a former Confederate soldier who has become a thorn in the side of the town banker.

As the story develops it appears most of the community has been deeply scarred by the Civil War, and hidden tensions come to the fore.

The co-feature is "Where Love Has Gone," — the story of a wealthy San Francisco family and the dowager who tries to rule it. Bette Davis, Susan Hayward and Joey Heatherton star.

FAIRFAX THEATER

"The Pumpkin Eater," held over, earned a best-actress award at Cannes for Anne Bancroft.

She plays a much married mother of 14 assorted offspring, who suddenly finds herself wealthy and living in leisure. For the first time she is able to take a look at herself. The experience proves an ordeal.

Peter Finch is her new husband and James Mason is a much interested bystander.

LARK THEATER

Also held over is the newest Italian delight—starring Sophia Loren and Marcello Mastroianni —"Marriage—Italian Style."

It's the story of a 22-year "almost" marriage of a Naples businessman and a prostitute.

Finally she tricks him into taking the vows—and is almost sorry.

TIBURON PLAYHOUSE

Staying with us is the superlative "Becket." It stars Peter O'Toole as Henry II of Twelfth Century England, and Richard Burton as his Saxon companion and advisor, Thomas Becket.

TAMALPIAS THEATER

Held over is "Sex and the Single Girl," a highly polished spoof of sex, psychiatrists and sensational magazines.

It stars Tony Curtis, Natalie Wood and Henry Fonda.

The Motor-Movies Drive-In remains closed.

Books Due Publication At Same Time

For two Mill Valley authors who are having their latest books published in April, it's the same old story. Well, almost . . .

Their respective works will in fact be absolutely new; it's the pattern of publication that has a familiar ring.

Some years ago John Milton Hagen and Stanton Coblentz had books off the same publisher's presses at exactly the same time. Now it is about to happen again.

According to the February issue of the Book Buyer's Guide, Hagen's latest, "I Am In Lambics" and "Demons, Witch Doctors and Modern Man" by Coblentz, and both due into print in April. And the publisher, A. S. Barnes of New York, stays the same.

Hagen says although both of them live in the same town they don't even know each other.

Drake High Junior To Be On TV Show

A Sir Francis Drake High School junior, Peter Stone, 16, will appear in "The Summer Workshop of Nations," a film to be shown on KQED (Channel 9) tonight at 10 o'clock.

Stone, son of Mr. and Mrs. George C. Stone of Bolinas Road, Fairfax, was selected for the feature interview of the film, which depicts the nature of Nations Incorporated Summer High School Workshop based near Santa Cruz.

Consumer Aide Keeps Eye On Your Interests

By WAT TAKESHITA

HELEN E. NELSON
On consumer's side

If your television repair bill seems exorbitant, or the van company charges double what it estimated your furniture moving would cost, you are not completely at their mercy.

This assurance comes from Helen Ewing Nelson of Mill Valley, California's consumer counsel, who has offices in the state capitol to watch out for consumer interests.

In an interview with this reporter, Mrs. Nelson gave these examples of what her office is doing:

It helped set up a watchdog agency to guard against frauds in television repair.

The agency, known as the Bureau of Electronic Repair Dealers Registration, is at 1020 N Street, Sacramento.

Anyone who has reason to believe that he is being bilked by a television repairman may write to the bureau with his complaint. Each complaint will not necessarily get an immediate investigation, Mrs. Nelson explained. It is the cumulative effect of many complaints that lead to an effective control over fraudulent practices.

Daniel J. Weston, chief of the "watchdog" bureau, explained how it works.

Individual complaints are compiled, and when the finger of suspicion begins to point to a dealer or dealers, the investigative machinery goes into action.

"We take a perfectly good TV set, put in just one burned-out tube, and put the set in a private home," said Weston. "Then we call in the suspected repairman. If he's dishonest, we'll soon find out."

Weston said he recently had 12 of these "dummy" sets sent to 12 repair dealers who were named repeatedly in complaints to the bureau.

"Of these 12, one was billed correctly and the other sets were repaired at a cost representing an average overcharge of over 220 per cent," he reported.

Weston hastened to point out that this statistic is not at all representative of the hole industry, because the 12 dealers picked were the ones on whom many complaints had been registered.

He finds that the bureau's strongest backers are the honest and conscientious repairmen who stand to lose the most because of the dishonest acts of a few.

The Bureau of Electronic Repair Dealer Registration costs the taxpayers nothing. It is financed by the industry, from the $35 per year fee charged to each service dealer.

The bulk of the fraud cases in TV repair were uncovered in the Los Angeles area, said Weston.

The duties of the bureau include enforcing provisions of the Electronic Repair Dealer Registration Act, which went into effect in 1963. The act, in general, prohibits untrue or misleading advertising and false promises.

The service dealer is required to return all replaced parts to the customer excepting such parts as are specifically exempted by regulation.

If a customer requests an estimate, the service dealer must give such an estimate in writing and is forbidden to charge in excess of it without previous consent of the owner.

The consumer counsel noted that furniture moving was another field in which her office found sharp practices.

A law passed in 1963 required the State Public Utilities Commission to adopt rules pertaining to estimates of moving charges. Those rules are scheduled to go into effect in April this year.

"It used to be that moving companies had no responsibility for living up to their estimates of moving costs," said Mrs. Nelson. "If the customer couldn't pay, they could hold the furniture as ransom. Now, if the actual cost exceeds the estimate by 10 per cent or more, then they are required to deliver the goods on payment of the original estimate and allow the customer sufficient time to raise the additional amount."

In addition, carriers must file with PUC a monthly report of cases where actual charges exceeded the estimate by 10 per cent or more.

Mrs. Nelson said the office of consumer counsel also worked for consumer protection in such areas as package labeling, fraudulent door-to-door salesmen, and safeguards against contaminated material used for toy stuffing.

Nature Trail Opens At Park

The first self-guiding nature trail in Samuel P. Taylor State Park was opened last weekend and visitors can now enjoy an informative stroll at their own pace.

The walk is about a mile long and it is necessary to have a nature trail guide folder which indicates points of interest by numbered posts. A ranger-naturalist will, however, remain on duty for the guided walks.

The self-guiding trail has been unofficially dedicated to three state park department men who recently died. They were Rangers William Brown, Peter Ramer and Edward Nash.

Investments Course Set

A new course, called "Investments and Securities," is to be offered in the San Rafael High School adult education program starting Monday at 7:30 p.m. in room 31.

Topics covered in the course, which is scheduled for 10 evenings, include investment foundations, how the stock market works, real estate for income and investing, and mutual fund investing.

Teacher will be Jess C. France, a San Rafael investment broker. Guest speakers are also planned.

New York Trip

Barbara Norwood Breeze, daughter of William N. Breeze of 28 Country Club Drive, Mill Valley, will be one of 90 House Plan students at Stephens College, Columbia, Mo., taking part in a week-long study project in New York City starting Saturday.

Youth Summer Job Signups Will Begin

The State Department of Employment will begin helping Marin County high school students sign up for summer jobs on Monday.

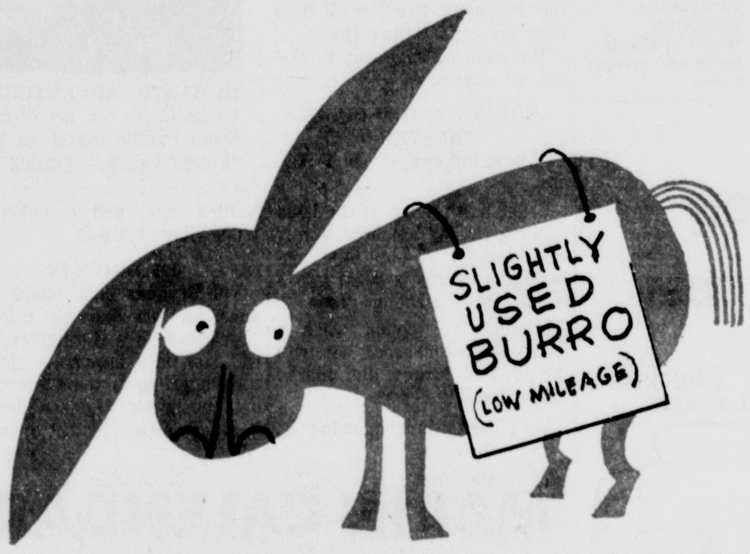

Robert Beebe, youth and student representative for the department's office in San Rafael, said he will begin with Novato High School at 2:30 p.m. Monday. Similar signup sessions will be held at Dominican Upper School on March 6, Redwood High School March 29, Drake High, March 31 and Tamalpais High April 5.

Beebe said particular attention will be paid to graduates who will not be continuing their education next fall, to help them line up long-term jobs. He will try to wind up the summer job placement interviews before Easter, he added; some of the jobs may be available during that vacation period.

Throughout the school year, Beebe regularly visits several high schools to assist students seeking part-time jobs. He not only points out what openings are made available through his department, but also advises the young job-seekers how to present themselves to prospective employers.

On alternate Tuesdays, he visits San Rafael High—next on March 9—and on the third Monday of each month, Terra Linda High. Beebe also spends two hours a day as College of Marin placement officer.

The little American box turtle may live to be about 120.
